\$3500

Venue locations farther than 30 miles may be subject to a travel fee.

Custom Wedding Packages

My wedding photography packaging has always been based on a package that suits YOU and your individual photography needs. This philosophy will always remain the same as I continue to offer you the option to build a custom wedding package.

Please contact me directly and I will provide you with a helpful wedding "menu" to build your custom package.

Prices start at as little as \$1400.00
