

Harborfields Wedding and Event Package Pricing

Each event is unique, so we negotiate each contract individually in order to give you the best value that we can. Weekend Event and Accommodation Packages will typically start at about \$800 for small weddings (50 max), or from about \$2400 *and up* for larger weddings (150 max). There are lots of variables, though, so please contact us today to arrange for a tour and discuss hosting your waterfront destination wedding event here at Harborfields!
