Book Your Trial Today!

I recommend a trial as far in advance from your event as possible. It's helpful if your trial is on a day that you can go out to see how the makeup lasts and how your friends, family, and maybe fiance like it. But most importantly, I want to ensure you feel as confident and beautiful as you deserve for your special day. All bridal makeup and hair trials are held in salon only. Please contact me at 909-561-2517 or sheena@sheenarushartistry.com to reserve your appointment. You can also book your appointment online at www.sheenarushartistry.com. Select your desired appointments under *Special Event Services.

Travel Fee

There is a travel fee of \$1 per mile, round-trip from Eastvale, CA. **Travel fee is waived when 6 or more hair/makeup services are being provided.** Extended travel rates will apply for locations outside of a 60 mile radius. The bride will be responsible for parking fees the stylist must pay at the wedding location.
