

Peacock Ridge

Our historic barn is the perfect venue for a rustic or vintage wedding. The barn sits in the center of our 83 acre farm tucked away from the hustle and bustle of road traffic. Your guests are welcome to enjoy our manicured grounds with charming gardens, visit our animals, and enjoy the tranquility of our farm. Our barn holds 200 guests and is ADA compliant.

The barn and grounds are yours for the day from 9:00am–12:00am. We have added a lot of extras to make your day easy and a stress free experience. The farm is decorated for the seasons with beautiful flower gardens and wonderful fall decor. The surrounding area includes an area for yard games which we provide, bonfire pit with s'more stand, patio for your guests to gather, and a 1 acre pond for your ceremony. The barn is decorated as you see in the pictures with sparkling chandeliers and fabric draped from the ceiling. Your bridal table will be covered in chenille with burlap bunting adorned with quilted roses. The barn is fully furnished with tables and a vintage mix of white chairs. We furnish china, pint jars for water glasses, and flatware. We also furnish bartenders (not alcohol) and security with our basic packages. Our barn is heated and air conditioned for your comfort.

Our bridal house is a historical building which was the original laundry house on the property. It is decorated in a vintage style with plenty of mirrors! The groomsmen also have their own quarters decorated with an industrial flair. Schedule your visit today to tour our farm!

We would be honored to host your wedding at Peacock Ridge “Where your Journey Begins”.

Best wishes,

Cindy Lowry
