Day Of Coordinator

(or more loving known as: **Moms Sanity Saver Package**)

For the couple who has planned their wedding, but desire professional coordination and execution of their signature day. Relax and enjoy your celebration...leave the details to us!

1. **Attendance at your rehearsal**- A warm up to the big day!! (up to 2 hours).
2. An entire day of **EXPERT** wedding day coordination - We will be with you **every** step of the way. We stay up to your first dance or 9:30pm whichever comes first. But **rest assured**, nothing is more important than your **happiness** on the wedding day so should you **feel more comfortable** with your team staying throughout the celebration, one word from you and it is done. (see ala cart items)
3. **No recruiting** of family members and friends - We carefully set up your place cards, favors, and guest sign-in table and put our special touch on all your décor. Walk into your wedding and it looks just as you **imagined**- All of your flowers and décor accessories are **exactly** where you **envisioned** them to be.
4. No **extra work** for your guests - Don't **stress** about asking family and friends to set up the decorations at your ceremony or to transport flower arrangements between the church and the banquet hall. **We do ALL that!!** There's a strong team on hand to do all the heavy lifting and of course I am there to make sure that everything finds its appointed place.
5. Everything is planned for - **Rest assured**... I always carry my Wedding Day Emergency Kit filled with **everything** that will **save the day**.
