## WEDDINGS

Share your dreams with us  
and we'll make them come true!

---

We are a distinguished event **entertainment planning** company, **specialized in weddings**, and focused on offering highly professional, personal service and utmost **attention to detail**.

With more than 15 years of experience in the entertainment industry, we are sure we can turn your wedding day to an **experience of a lifetime**. Whenever planning a wedding reception, we do everything to ensure that you and your guests will enjoy the best music through ideal equipment and exceptional partners.

We believe that music at weddings does not just entertain and sets the mood, but also gives you **a vivid storytelling** from the ceremony to the very last song of the night.

Brides-to-be love working with us because not only do we provide **excellent music** (wedding DJs, bands, saxophone or violin solo artists), but also very distinct **lighting, dancefloors** and **photobooth** services as well.

2019 was the year of establishment for us, as we had the honor of being awarded as the **best wedding DJ/production company** in Greece at the MAV Awards 2019.

As MAV stands for “most acknowledged vendor” according to other wedding professionals all over Greece, people that we team-up trying to deliver premium services for our dear couples, this is something that fills us with **great responsibility** and gives us motive to **become better**.

# WEDDING DJs

---

Our talented DJs promise you a unique party custom-made to your very own wedding demands.

Music is the most important piece of the puzzle at your wedding. It is that chain link that holds everything together. A **great party** is what will be in **everyone's memories** for many years. Our talented team of DJs will give you and your guests the **perfect soundtrack** for the day through a big range of genres and they will make everyone **break it down to the dancefloor**.

---

# ENTERTAINMENT

---

Use live music to give classy essence to the evening or as a party booster.

Solo artists like a saxophonist or a violinist can use the DJ's music to build around it a unique and highly **impressive hybrid sound**. Live bands have **fresh, powerful ideas** and can play from classical to folk, pop, rock, or dance music.

---

# SOUND

---

Crystal, warm sound that will lure your guests into a frenzy.

The **right sound for your wedding** is very important to us. Music coming out from an integrated sound system playing at the **right volume and color** is what will push everyone off their chairs. Our state of the art equipment and our experienced sound engineers are all about **sound perfection**.

---

# LIGHTING

---

Your unique moments amazingly lit to eternity.

80% of human consciousness derives from vision. We have invested for years, both in equipment and know-how, so that **your reception will glow**. Our specialized light engineers can design your amazing, tailor made wedding, giving you **choices you had never imagined**.

---

# VISUALS & EFFECTS

---

Add a final, personal touch.

Make it personal through screens, projectors, lazer shows or monogram projection and add a final touch to **make the difference** with fireworks, smoke and fog.

---

# DANCEFLOORS

---

Where the party's heart beats and cameras are turned to.

The dancefloor is **the core of most receptions** and should look good and **enticing to your guests**. SoundVoice offers you a choice of different dancefloors like parquet, white-with your monogram on-and the exclusive in Greece, black, acrylic plexi-glass one, in dimensions that can host from the smallest to the greatest party, indoors or outdoors.

---

# PHOTOBOOTHS

---

Uplift your party with a hip photobooth.

MyPhotobooth is the **ultimate gadget for your event**, accomplishing to combine the classic concept of **instant printing** of a photo with the modern one of using online sharing and **social media features**. In any case, the outcome is the same. MyPhotobooth turns to be **the center of the attention** of the event by lifting the spirit high.
