

THE DB ORCHESTRA

PERFORMANCE AND PRICING OPTIONS

We believe no celebration is complete without live music, and we're ready to bring the energy to any gathering, no matter the size. Whether it's a big bash or a small soirée, the DBO has the right-sized performance group to make your next gathering a memorable occasion.

THE DB ORCHESTRA

The full-force, high-octane big band, featuring our full roster of nearly 20 musicians. The full big band plays the most danceable songs, featuring the best of swing, show tunes, rock and roll, and everyone's favorite sing-along hits.

DBO LITE

This option is a "lite" version of our full big band. This features one or two instruments from each section along with vocals and percussion. This group brings a light touch to the very best jazz classics, and is a perfect option for small reception venues with a more relaxed vibe.

DB & THE HOT FIVE

This option is ideal for cocktail hours, rehearsal dinners, and after parties. This group includes vocals, piano, percussion, bass, and trumpet, and curates the ideal laid-back, jazzy atmosphere that transforms a waiting period into a main event.
