LUXURY LENS 360

FAQs

Do I need to pay a deposit?

Yes. All bookings require a 50% NON-REFUNDABLE deposit to secure the date. This deposit will be applied to your service and the remaining balance is due at least 7 days before the event.

Is my deposit refundable?

No. Under no circumstances are deposits refundable -- regardless of weather or unforeseen events. However, they are transferable so you can apply it to a future event or you can gift it to a friend/family member to use.

How do I pay my deposit?

We will send you a quote/invoice via PayPal for you to pay your deposit.

When do I pay my remaining balance?

Final payment for all services are due AT LEAST 7 days before the event. If full payment is not rendered by then, our services and the deposit for your event will be forfeited. But no worries, we send you payment reminders to ensure we stay locked in.

Do you accept cash/check payment?

No. We do not accept payment via cash/check/money order/Zelle/Venmo/Cash App or any other payment methods. We only accept payment via PayPal using Debit/Credit Card.

What parts of Miami do you service?

We service anywhere in South Florida within Miami-Dade, Broward, and Palm Beach counties.

Why is the Standard booth and the LED booth different price?

The booths require different equipment and more manpower due to the weight so our rates reflect the adjustments we need to make to properly service your event.

How early can I book you for my event?

The earlier the better. This allows us to properly plan for your event by securing the necessary staff and getting all necessary equipment.

What is the latest I can book you for my event?

All events must be booked AT LEAST 7 days before the event to ensure we have adequate time to secure staffing and equipment. Additional fees will apply for events booked in a shorter timeframe.

LUXURY LENS 360

FAQs

Why are your rates so high?

We understand that everyone has a budget that they want to abide by and we respect that. This is why our rates are standard for the industry.

Do you offer any discounts?

We are always looking for ways to better service our community. We create special rates for different seasons that provide value without compromising our bottom line.

What is the mileage fee?

We are happy to go anywhere within 50 miles of our office/warehouse located in North Miami, Florida. Anything above 50 miles will cost you \$2 per mile up to 30 miles (because our team isn't equipped to travel any further yet). We will let you know in the quote if you are out of our mileage range and what that rate will be.

Do you have a video of how this actually works?

Yes. Our [Instagram](#)/[TikTok](#) pages (@luxurylens360) show what happens behind-the-scenes and what the final product looks like.

What is an Overlay Design?

In order to make the 360 booth experience truly memorable, an overlay design (similar to a snapchat filter) is inputted in the video set up so it can show up on the final product. These designs are created with the event name, date, and theme so people know where they were when they created the video. We can design one for you or you can provide us one.

What are Speciality/Themed Props?

These are props that correlate to a specific party theme. For instance, if you are throwing a Great Gatsby themed event, we will source props for that theme vs the standard booth props.

How much space do you need to set up the booth?

We ask that you provide us at least 8ft x 8ft space so we can set up not only the booth but other necessary equipment.

Is setup and breakdown included?

Yes. Our team will show up to setup at least 30 minutes before booked start time and will begin breakdown immediately at the booked end time. So if you booked us from 5pm-10pm, our team will be there to setup by 4:30pm and will begin breakdown at 10pm.

Is the 360 booth kid friendly?

Yes. Kids love the booth. Kids under the age of 5 must be accompanied with an adult on the booth.
