1 Assistance with selection of the following items *maximum of 3 vendors as options:

- Catering: Food, beverage, and flat ware selection
- Reception Venue Layout: Event tables, chairs, decor, and dance floor
- Decor and floral for bridal, ceremony, and reception
- Photography and videography selection
- Cake(s) and dessert display
- Entertainment for ceremony and reception
- Hair and Makeup
- Transportation Coordination

2 Day of wedding assistance

- Schedule of events will be prepared and shared with all vendors to ensure everyone knows locations and access times
- Professional wedding planner to assist the couple on wedding day, direct the logistics and set up of the ceremony/reception to ensure all vendors are accounted for and decor is set up as requested
- Two hours of pre-ceremony/reception coordination: meet vendors and assist in any set up required
- Four hours of ceremony/reception coordination: ensuring schedule flows as requested, end of the evening is concluded, and vendors have picked up all remaining items

50 hours

\$4,000.00

Diamond Full Wedding Planning

This package is designed for couples who prefer to have a consultant involved from the very beginning. The consultant would assist with every facet of wedding planning and design. This package is a necessity for multi-day events, outdoor weddings, or those with busy career and family obligations. Budget management will also be provided by our team.

1 Assistance with research, comparison, and selection of the following:

- Ceremony and reception locations
- Catering: Food, beverage, and flat ware selection
- Reception Venue Layout: Event tables, chairs, decor, and dance floor
- Decor and floral for bridal, ceremony, and reception
- Photography and videography selection
- Cake(s) and dessert display
- Entertainment for ceremony and reception
- Transportation
- Once vendors have been selected, wedding planner will assist in the planning of:
 - venue layout, flow, and logistics
 - designing the overall theme/look of the wedding (including linens, lighting, and decor)

2 Wedding Coordinator will provide recommendations for the following:

- Hair and Makeup
- Hotel Accommodations
- City Tours and Events
- Signage, programs, and printed needs for event

3 Day of wedding assistance:

- Schedule of events will be prepared and shared with all vendors to ensure everyone knows locations and access times
- Directing the logistics and set up of the ceremony/reception to ensure all vendors are accounted for and decor is set up as requested by the couple
- Three hours of pre-ceremony/reception coordination to meet vendors and assist in any set up required for ceremony/reception
- Four hours of ceremony/reception coordination on the day to ensure schedule flows as requested, the end of the evening is concluded, and vendors have picked up all remaining items
- Coordinator will ensure all personal items of the couple are packed and delivered to the couples requested location at the end of the night

80 hours

\$6,800.00
