### Fine Print:

- The Engagement albums are coffee table book style albums with selected photographs from your engagement sessions and blank space for your guests to write their notes. You can choose the color of the pages. In order to include an Engagement Albums with these predefined packages, you must book an Engagement Session with Kerem Hanci Photography. If you would like to create an Engagement Album with specific photographs you would provide, please contact us.
- All wedding albums that are included in these packages are LayFlat albums with Hard Book Cover option with 16 thick pages (12 inch by 12 inch). Additional pages, cover and paper quality upgrades are available upon request for additional fees.
- The large print included in *Package V - The Works!!!* is 16x24 metallic print with no mounting. Upgrades to Canvas and framing options are available for an additional fee.
- The Engagement Session that is included in any of the above packages is the *Short & Sweet* session. Upgrade to "Around Town" is available for an additional fee.
- The Engagement Album is a standard hard cover book.
- Any additional photography session chosen in *Package V - The Works!!!* would be the entry level of that particular session option. Upgrades to longer session and increased production value are available for an additional fee.
- You will receive all photographs from any sessions in a digital download form. For an additional fee, you may request a flash drive.
