## TRAVEL FEES:

All travel costs, including mileage, ferry fares, airfare, hotel & rental car are covered by my clients and is on a case by case basis. I work with flat fees to accommodate most travel fees. Local travel is already included in these packages and/or your custom quote. Out of state travel, toll and ferry fees are not included in these packages, we would have to discuss those details. If you're unsure, please inquire for more details and options.
