Inspiration photos are amazing for communicating the ideas of your wedding! They can show at a glance your mood, style and color scheme. Keep in mind that styled shoots and oftentimes real weddings that are published have high or unlimited budgets. I understand it is difficult to know how much flowers cost and how to create your budget for wedding flowers. Here's a quick breakdown of popular flowers and some greenery from the top end of the price scale to some beautiful flowers that fit into any budget:

Luxury: Peonies, Garden Roses, Vanda Orchids, Colored Hydrangea (except light blue), Calla Lilies, Stephanotis, Tropical flowers such as Protea & Anthurium

Premium: Standard roses, Spray Roses, Cymbidium Orchids, Dendrobium Orchids, Dahlias, White & light blue hydrangea, Ranunculus, Anemones, Dusty Miller, Exotic Foliage, Italian Pittosporum and Italian Ruscus

Standard: Sunflowers, Gerbera Daisy, Spider Mum, Delphinium, Larkspur, Eucalyptus, Stock, Lemon leaf, Israeli Ruscus

My goal is to work within your desired price range to create wedding flowers that fit your style.. A typical wedding with me will range \$2500-\$3500 (including set up fees & tax) depending on style and flower selection. Below is some average pricing per item to assist you in creating your own floral budget.
