hello there!

I'm Inna, glad to welcome you here! I'm a wedding photographer based in Nashville Tennessee. I love working with couples because every love story is beautiful in it's own way. It would be my pleasure to be part of yours! Plan and prepare but remember that you are getting married to the love of your life and that's all that matters!

xoxo, Inna

"Inna was our wedding photographer, and we are so happy it was her capturing those moments on our special day. The pictures are amazing! She is definitely a professional in capturing small but important details. The results exceeded our expectations! She is an amazing photographer who does this job from her whole heart, someone you can trust. She's also such a sweet and amazing person and we are thankful for her!"

The Process:

Step 1: Book your wedding date:

We will chat together to learn more about your wedding! In order to reserve your wedding date, there is a non-refundable retainer fee of \$1,000 and a contract to sign. The remaining balance is due 30 days before the wedding. Once I receive your deposit and a signed contract, your date is reserved with me.

Step 2: Lets build a timeline:

Two months before the wedding date we will build a timeline for your wedding day, that way you can make the most use of your time with me.

Step 3: Wedding day!

This is when we have fun and take the pictures! I'm so excited I will be a part of your day!

Step 4: Gallery delivered!

Within 2 months of your wedding day, your gallery is delivered!! I will send you the online gallery link where you can share with your friends and print if you would like!

- Did you know that we deliver sneak peaks within 48 hours of your big day?

engagement SESSION

An engagement session is the perfect opportunity for you to get an idea of how both of you feel in front of the camera and to have an idea how I do my job. It's great to document this other season that you are in because the engagement season goes by so quickly, so make sure to pause and enjoy it!

If you want to get the most out of your session I recommend wearing two outfits! One more casual and one more dressy.
