Welcome

First and foremost, thank you so much for considering us to be a part of your special day. It is very important that you find, not just good, but the **right** photographers for your wedding day. We will be with you every step of the way--from planning, through the day of the wedding, and beyond during your album creation.

About Us

The RS Weddings team is headed by Shane Redman and Tyrone Singletary. Together they have photographed numerous proposals and weddings in the DC, Maryland and Virginia areas. It is often said between them, that they are more than just photographers, but rather FUN-tographers. Mainly because they are dedicated to bringing a fun and upbeat presence to your wedding.

Shane and Tyrone were absolutely amazing! They are extremely responsive, pricing is very competitive, had great ideas, and most of all fun and a joy to work with. Not only did they shoot my wedding but also my engagement pictures and my Bridal Shower. They made the exhausting and sometimes intimidating process of taking pictures very enjoyable. One of my favorite wedding pictures was a suggestion Shane made during our consultation meeting! Hire them, you won't be disappointed.

RS Weddings took so many wonderful pictures! They EXCEEDED expectations abundantly. They photographed my daughter's wedding and they were such a fun and professional group of guys. PLUS, the pictures are BEAUTIFUL! They look so good. They are very high quality and looked great when we got our prints. They know exactly what they are doing. We are so pleased! 5 stars!

Our brides and grooms always start out as just a lovely couple looking for services on their special day. Though by the end of the process, they've always come to call us "family" and they mean it! Our commitment to our clients extends well beyond the wedding day. We offer anniversary services, exclusive specials and more!

We try to make sure that you get the most out of what you invest in your wedding photographers. It is our belief that your wedding is FOREVER and that it's our job to make sure that you have memories that will last a lifetime!

I booked RSWeddings for our wedding. I can't even begin to tell you how impressed I was with this company. I actually, at the last minute, decided to change from a photographer that a friend had recommended because she just didn't seem very professional. I had fallen in love with the photos on the RSWeddings website and thankfully they worked our wedding in during the busy wedding season. I think what impressed me the most is that you could tell that Shane and Tyrone are both passionate about photography and their business. Not only were our wedding photos GORGEOUS, but they were so much fun throughout the entire night! It really helped to lighten a stressful day. BEST. DECISION. EVER!

~ Morgan Moore

'I have worked with Shane of RSWeddings throughout my entire engagement/wedding process as my now husband, James, hired him for his proposal. He has done 3 separate shoots for us and never ceases to amaze me! He is everything you could ask for in a photographer--fun, friendly, flexible, creative, and always professional. He is willing to go above and beyond. He even came out to the Dominican Republic to shoot our destination wedding! RSWeddings will not disappoint you!'
