**\$0**

Our motto is better planning, better weddings. That is why with our services we make sure to reach out every so often to learn about your music taste and your vision, visit the venue, and discuss all the important details you might not have ever thought of, and so much more.

### Mobile Planning App

Qty

\$0

**\$0**

Plan your entire wedding soundtrack right on your phone. Crazy right! This is a mobile app where you can have your whole timeline on your phone, add songs from YouTube and Spotify playlists, edit sections, add notes from your meetings, add and edit times, and even include others on the app to suggest songs. For instance, you can have your squad on the app to only see open dancing so they can join in on the song selection for dancing helping you have the best dance party for your special day!

### Help behind the scenes

Qty

\$0

**\$0**

We help your day flow smoothly. From lining you and your bridal party up for your entrances, making sure dinner is ready before going in to dinner time, informing your photographer and videographer before your first dance and other important events during your special day to even the little details of making sure your cutting and eating utensils are laid out before you cut your wedding cake and so much more. We help things flow smoothly so you can enjoy your day.

### Wireless Microphone

Qty

\$0

**\$0**

We have a professional wireless microphone for your special guests to share memories, and stories with. This is for a welcome toast, bridal party toasts, and anyone else who you want to share any special words.

### Sound System
