Welcome Guide

TETIANAMEPHOTOGRAPHY.COM

# hey there

Welcome to our wedding day photoshoot guide! We are delighted to have you here and capture beautiful memories of this special occasion. Below, you'll find some helpful information on what to expect during the wedding day photoshoot.

1. **Timings and Schedule:** We will provide you with a detailed schedule outlining the key events and timings for the day. It's essential to stick to the schedule to ensure we have enough time for all the planned photo sessions. We appreciate your cooperation in adhering to the schedule so that we can capture all the important moments.
2. **Preparing for the Photoshoot:** Please arrive at the designated location for the photoshoot on time, allowing for any necessary preparations. Ensure that you've communicated your preferred attire for the photoshoot in advance to ensure a cohesive and harmonious look among the wedding party.
3. **Shot List and Preferences:** We encourage you to share any specific shots or styles you have in mind. Feel free to communicate your preferences and must-have shots to the photographer. While we strive to capture all requested images, keep in mind that certain factors such as time constraints or logistical considerations may affect the feasibility of every request.
4. **Group and Family Photos:** We will allocate time for group and family photos, typically after the ceremony or during the reception. To ensure a smooth and efficient process, we suggest creating a list of the desired group combinations in advance. Please designate a family member or friend who is familiar with both sides of the family to assist in organizing and gathering everyone for these shots.
5. **Candid and Documentary Style:** In addition to formal poses, our photographers will capture candid moments throughout the day. We believe these genuine, spontaneous shots truly reflect the emotions and joy of the occasion. Feel free to be yourself and enjoy the day while we work to capture those precious memories.
6. **Location and Weather Considerations:** Depending on the venue and weather conditions, we may need to adapt our plans. Outdoor photoshoots are subject to weather changes, so please be prepared for potential adjustments in the schedule or alternate locations if necessary. Rest assured, we will strive to find the best solutions to ensure stunning images regardless of the circumstances.
7. **Relax and Enjoy:** Most importantly, we want you to relax, have fun, and enjoy the experience! Our goal is to capture the love and happiness shared on this special day. Don't be afraid to express your emotions, and feel free to reach out to our team if you have any concerns or questions.

We are honored to be a part of your wedding day and are committed to providing you with cherished memories to last a lifetime. If you have any further queries or specific requests, please don't hesitate to reach out. Let's create beautiful memories together!

My approach to photography? Candid, vibrant, and fun! When we achieve this, the photographs showcase who we truly are. During photoshoots, I strive to ensure that my clients feel at ease. If you're lacking confidence in front of the camera, I'll guide you how to pose to evoke that inner self-assurance.

My favorite way to photograph relies on using natural light, especially at sunrise and sunset. The sun's rays during "golden hour" beautifully illuminate and capture subjects and their essence.

My photos are edited with bright colors, lots of light, and some retouching. I don't heavily touch up skin or bodies. Please contact me if you would like separate pricing for each picture you want retouched.

# WHAT TO EXPECT *my style*

In essence, I don't dictate or direct but instead observe to discreetly cover events as they happen. I photograph your day as it naturally unfolds, capturing real moments and creating a timeless record of your day.

Connecting with the wedding and the people involved on a personal level is hugely important in creating important images that will be part of your family legacy.

WHAT TO EXPECT

## *Before You Book*

The first step is to review my pricing guides, which you can find in this guide.

The next step is to settle on your date and venue. I don't accept bookings until these two pieces are in place. Once you have these two ultra important decisions made, shoot me an email and I'll let you know if I'm available on your chosen date!

BEST DAY EVER

In all the world, there is  
no heart for me like yours.

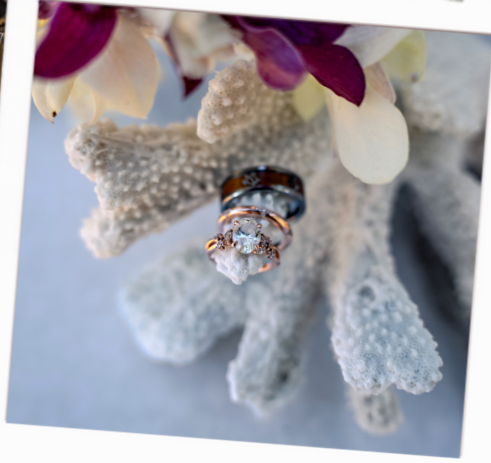

In all the world, there is  
no love for you like mine."

# WEDDING TIPS

*photography*

I know exactly what you are looking for from your wedding day. An incredible celebration, that is memorable and of course, stress-free. But also amazing wedding photos that will last the test of time and allow you to relive said incredible memories.

Is it possible to have a fusion of amazing photography and a relaxed, fun day without feeling like you are in a photo shoot as a bride or groom? You bet it is.

If I get married, I want to be very married.

## TRY TO STICK TO YOUR ORIGINAL TIMELINE

Creating a timeline of the day's events and sharing it with your photographer is essential to make sure all of you are well-prepared for the day.

It's a good idea to allow a little extra time between transitions or location changes from the ceremony to the reception on the chance that things are running behind schedule.

Make sure you talk your wedding photographer through your shot list and schedule photo sessions into your timeline for couple's portraits, wedding party, family, and any other specific requests.

## CREATE A LIST OF FAMILY MEMBERS

Make sure that you get a list of family members names to your photographers at least a week before your wedding. The list should at least have first names of all people wanted in the portraits.

Let all close family members know that you want them to stay at the ceremony site for family portraits. Sometimes family members (yes, even close ones like grandparents) forget or don't realize they need to stay for the family portraits. It takes time to gather lost family members and is much easier when they all know prior to the wedding day.

## GATHER ITEMS FOR DETAIL SHOTS

The rings, bouquets, wedding invitations, jewelry, boutonnieres, shoes, and cufflinks are all gorgeous details that shouldn't be forgotten! It's helpful for your wedding photographer to rely on a wedding party member or other helper to organize these items, so make sure to keep them close!

Don't limit yourself to this list, though! If you have any items that are meaningful to your relationship (such as love letters, keepsakes/tokens, souvenirs, etc..) those make wonderful additions to your detail photos. You can also think outside the box!

# THRE FIRST LOOK *moment*

I absolutely love this modern twist on the traditional wedding that gives you and your fiancé the opportunity to see each other for the first time in a more intimate setting. You could choose a more scenic location, or just have a first talk or handhold around the corner/behind a door so you don't see each other.

A first look doesn't have to happen right before you walk down the aisle, many couples choose to do a first look a few hours before the ceremony. Seeing each other earlier in the day opens up the possibility of getting some group/family/wedding party photos out the way prior to the ceremony, which means that you don't have to spend as much time away from your guests and your party later on in the day.

## Do you bring a second photographer?

Whether you want a second photographer is entirely up to you. I shoot many of my weddings solo. I'm very comfortable and confident in my ability to capture most typical wedding days on my own. That being said, there are definitely advantages to having two photographers.

## How will we receive our photos?

After the wedding you will receive sneak peeks during 24-48 hours. Once your photos are ready, you will receive a link to a pin protected online gallery that has all of the finished photos from your wedding day.

You will receive an online gallery within 3- 6 weeks (depending on the season) with your pictures where you will be able to download photos and share with your friend and family.

All pictures are edited, high resolution and ready to be printed. The album includes a print store where you can order high-quality prints and canvas art.

## Are you willing to travel?

Definitely! Travel fees are applied if I'm going over 50 miles, which is charged both ways. Destinations that exceed two hours driving time each way may require overnight accommodations. Please inquire.

## How Do I Book A Date?

A non-refundable retainer fee of 30% is required to secure your booking. The remaining balance is due one month before the wedding date.

4.167% Hawaii State Sales Tax will be added to your total package.
