## What Our Clients Say

EXCELLENT EXCELLENT EXCELLENT.....Celia made our 40th anniversary vow renewal a treasured memory... She took care of all the arrangements with Chris, the photographer, beautiful flowers, an amazing minister, Ricky Kirton, and a gorgeous beach setting. I would highly recommend her for your special day!!!!

Cheryl & John

Thank you so much for arranging our vow renewal exactly as we'd asked for. You listened and made our day a really special one x  
Susan

The ceremony was on Carlisle Bay and the reception was held in a beautiful villa on the West Coast near Paynes Bay. The whole day was amazing and Celia did such a great job. She knew exactly what I wanted and had an excellent eye for detail. I would confidently recommend her to anyone of my friends family or colleagues. She worked with our budget and theme with ease and was a absolute pleasure working with her and her team. Wish I could do it all again.

We had her arrange the ceremony the minister the legalities, and the reception with the marquee, the food, the bar, the music, the decor, the transport, the lighting, the table designs, the cake. And everything was amazing. Thank you Celia from the bottom of our hearts.

Keely and Jason xxxx

Thank you for helping to make our wedding day so perfect. The venue looked exactly how we imagined. We loved the draping and bamboo arch! It was a pleasure working with you.

Thanks again!
