hello!

WE'RE SARAH AND JAKE
AN ENGAGED PHOTOGRAPHY
TEAM BASED IN MILWAUKEE, WI

Our specialty is all things love: engagements, elopements, weddings, anniversaries, and everything after. We're passionate about building relationships, learning your story, and telling it artfully through photos. We preserve genuine moments and allow our creativity to turn raw emotions into art you'll cherish and display for years to come. As we plan our wedding, we completely understand and appreciate the energy and love you've poured into your best day ever. You can rest assured, knowing we will encapsulate every little detail. After your day has come and gone, you'll be left with photos that tell the story and bring back the emotions of the day, and with us as your friends for life, excited to stay connected and capture every chapter to come. We're so honored to be a part of your story.

what to expect

OUR STYLE: Our photography approach is to document what's real.

Our overall style can be described as photojournalist, adventurous, and warm.

Our editing places an emphasis on warmth, vibrant colors, and “true to life” with a moody twist.

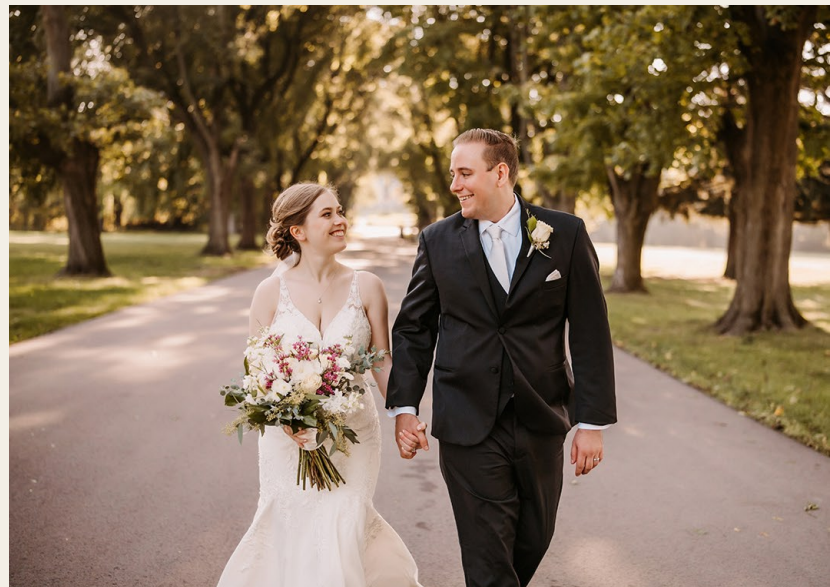

While we'll still provide all the guidance you need, we stray from traditional posing methods.

Instead, we opt for playful prompts that bring laughter, create movement, and help you feel comfortable and confident. While we chase the golden light, we'll focus on capturing your interactions and the spark that started your love story. This time spent together is so valuable, which is why every wedding package includes an engagement session. It builds our relationship and trust, so you feel completely comfortable by the time your wedding day comes.

During moments in-between our prompts, we'll give you space to interact, steal kisses, giggle about that silly thing you just did, snuggle up, and soak in the moment.

When you invest in us, you'll walk away with so much more than just quality photos.

You'll gain lifelong photographers and friends.

frequently asked questions

HOW LONG DOES IT TAKE TO GET ALL THE PHOTOS?

You will receive a “sneak peek” gallery within 72 hours after your wedding or session!

For your full gallery, there is an 8-12 week window for us to edit all the photos and send them to you, depending on the time of year and volume of weddings. We'll be in touch with an estimated delivery date!

CAN WE GET PRINTS OF OUR PHOTOS?

Yes! Upon receiving your photos, you will get a full print release allowing you to print the photos. You can also order prints directly through your gallery, which ship to you from our professional labs.

HOW MANY PHOTOS CAN WE EXPECT FROM THE WEDDING?

Our wedding galleries average about 100 images per hour of coverage, but your gallery will include every photo from your day that is not a duplicate, over/underexposed, blurry, closed eyes, etc. We take our time to sort through your photos and deliver the very best ones, but rest assured - we'd never keep a great photo from you!

HOW MANY PHOTOGRAPHERS WILL BE THERE AT THE WEDDING?

Two photographers. We work as a team and will both be there on your wedding day.

DO YOU OFFER TIMELINE PLANNING ASSISTANCE?

Yes, we do! When we touch base about two months before the big day, we'll run through the timeline together and make any necessary tweaks to ensure everything runs smoothly the day of. After working so many weddings together, we've truly seen it all, and are happy to offer our expertise to make your timeline perfect!

DO YOU PHOTOGRAPH DESTINATION WEDDINGS?

Yes! We love to travel. Fill us in on all the details and travel plans, and we will create a custom wedding collection to meet your needs.

DO WE GET THE RAW FILES OF OUR PHOTOS?

No. Your photos will be delivered as high-resolution JPEG files, edited in our signature style. By investing in us as your photographers, you're also investing in and trusting in our editing expertise.

DO YOU OFFER PAYMENT PLANS?

Yes! For weddings, a \$900 non-refundable retainer is required upon contract signing to reserve your date. The remaining balance is due one month before your wedding. You are welcome to make payments any time between now and then (for example, you could make payments monthly) if you'd like.

WHAT IS YOUR PREFERRED METHOD OF PAYMENT?

For convenience, all payments are processed online through Stripe. Our client portal makes it easy to pay via credit/debit or bank transfer.
