

THE BARN AT TATUM ACRES

Congratulations on your upcoming wedding! On behalf of The Corner District, LLC we would like to thank you for your interest in hosting your special day at The Barn at Tatum Acres.

The venue is a 75 acre barn property with your choice of several manicured ceremony areas, a beautiful barn with indoor and outdoor string lights, draping, custom farm tables and more! Our team of experienced wedding professionals will work very closely with you to ensure your special day will be a success. We have a proven team of seasoned wedding vendors included in our package, however, outside vendors are also welcome. We have several layouts and options that our wedding planning team can walk you through in planning an event that is as unique as you are!

The Barn offers seating for up to 130 guests with 3 custom farm tables, rounds with linens and beautiful wooden padded chairs. String lights, draping and ceiling fans create a beautiful contrast to the outdoor areas.

The Patio offers a uniquely different setting under stringlights with a large firepit for s'mores roasting or just sitting and enjoying the view of the Atlanta skyline. Our outdoor covered lounge area offers a 2nd fireplace with leather sofa and upholstered seating. Guests gather here for cocktail hour or a quiet place to visit, still in view of the patio dancefloor.

Should you select The Barn at Tatum Acres rest assured our staff is here to create a memorable experience for you and your guests. For your convenience, we have included our pricing structure that can be modified for your headcount.
