Our basic wedding dj service starts at \$499, which includes a set of PA speakers with corded microphone, and 1hr consultation with the bride and groom to be.

When presentation is a factor, you can't go wrong with our Classy or Elegant bundle. Our Traditional bundle is most popular amongst couples, for it brings an extra touch of elegance with our uplighting and custom message gobo monogram, plus it provides ceremony service and cocktail hour. When you really want that club-like ambiance, our Elite bundle will have you and your guest dancing all night long!

A simple and fun way to entertain guests is with our Photo booth. Rather than having guests sit around before or after dinner, they can stay entertained taking pictures with our photobooth. Photo booth service starts at \$299-2hrs with unlimited prints and photo sessions. We provide fun props with masks- funny glasses- hats and other props, custom design your photo strip layout, provide an onsite attendant, print your strips in seconds, and provide digital copies of all pictures taken.
