# FAQ's

**Q: Can I book a package and add on additional services after?**

**A:** Yes, additional services may be added on after booking. We just request that services like "Same Day Editing" and or "Additional Videographers" be added no less than 90 days prior to your wedding date.

**Q: What is an "Extended Film"?**

**A:** Our "Extended Film" option is perfect for couple's who are looking to go beyond a highlight film and include full edits of the days events. These films are more documentary style and range from 30 minutes to 1 hour in length.

**Q: How are the videos delivery?**

**A:** All wedding films are delivered via digital download like which can be shared with friends and family. We also have a USB delivery option as well.

**Q: What are the main differences of the packages?**

**A:** All of our packages will provide in depth coverage of your wedding day. However, as you begin to book packages with more hours, you will not only have a longer, more cinematic wedding film but you will also have more of your wedding day covered which means more priceless moments will be captured and added to the film! You will also receive more film edits like the full ceremony, speeches, and more!

**Q: How long until I receive the video(s)?**

**A:** Turnaround time can be 30 to 45 days from the wedding date. However, we usually get videos sent much quicker, we like to factor in extra time for the busy season (April - September).
