## : QUESTIONS + ANSWERS :

**HOW DO I PAY?** A \$1000 retainer is due upon booking to reserve your wedding date with me. This goes towards your final balance which is due 30 days prior to the big day. I try to make the process as easy as possible by offering a few options. You can always make payments by cash or check. I also know everyone loves their miles and accept all major credit cards.

**WHEN DO I GET MY IMAGES?** All of the images we shoot together will be available on your wedding USB (engagement, bridal, wedding day.) The USB is automatically mailed at your 3 month anniversary or when your album is delivered.

**HOW WILL MY GUESTS SEE THE WEDDING PICTURES?** Your wedding images will be in your online gallery. You are welcome to share your gallery with whomever you'd like or share through facebook. I also provide a gallery of watermarked images to you for social media use.

**WHERE SHOULD WE DO OUR SESSION?** Great question! We can create pretty images anywhere. Think about somewhere that is meaningful to your relationship or something you enjoying doing together. Love baseball? Lets go to the Rangers Stadium! Boating? White Rock Lake is gorgeous! I recommend two outfits changes, a dressier look and a more casual option (but still more stylish than a lazy day at home!) If you're stuck, I am happy to help or we can get a stylist involved in the process.

**WHEN SHOULD WE SCHEDULE THE SESSION?** I prefer to get your session scheduled as soon as possible to reserve prime dates and times as well as reserving beauty appointments and permits for locations if needed. Traditionally, engagements are 6 months out and 8 weeks for bridals.
