Month of Coordination + Styling Package

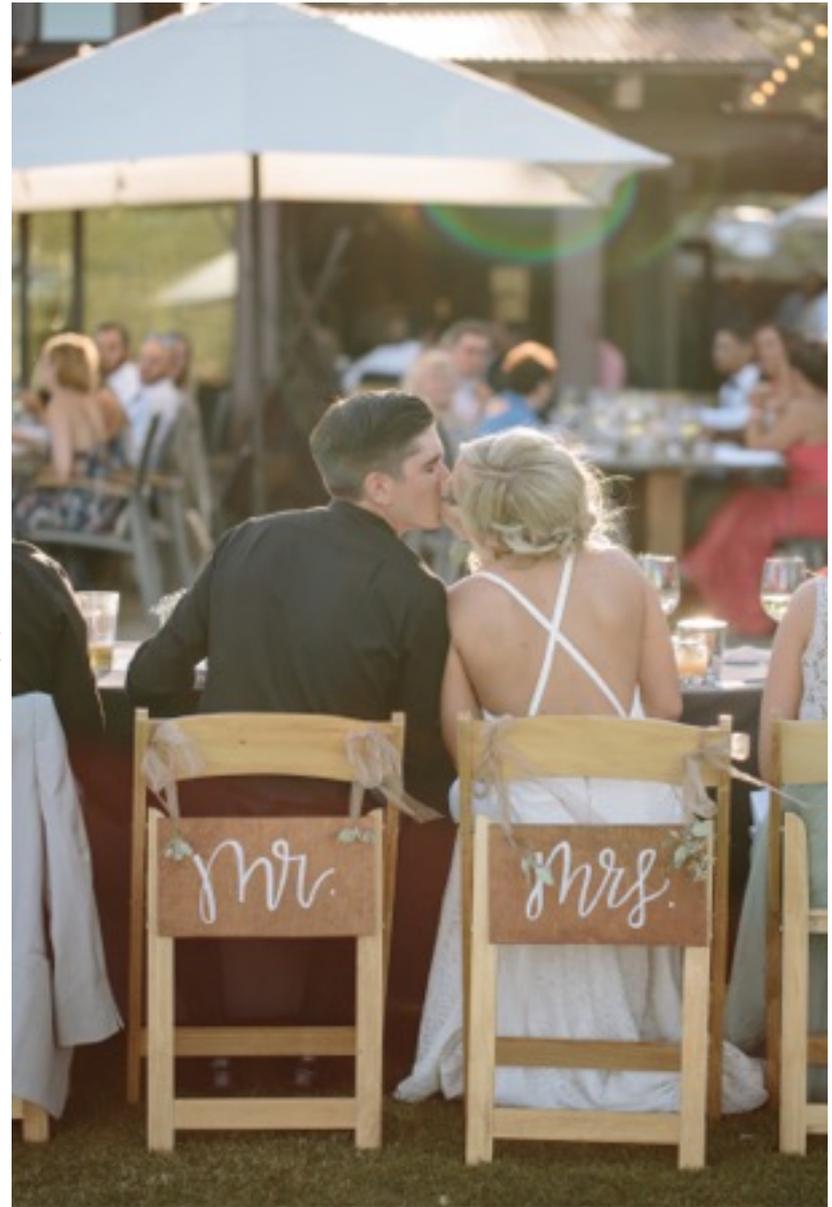

This package is designed for the couple who has completed the majority of the planning process, but would like a little help in bringing it all to life. We still love to collaborate with couples during this time, but many couples find relief in taking a step back to be present during all those special moments leading up to the wedding (and leave all the logistical stuff to us!). After an initial meeting, sharing of inspiration images, and venue walk through, *hand+heart* will take over all vendor communication about 8-10 weeks from the wedding date. We will confirm with all your existing vendors, suggest additional preferred vendors if necessary, and help you finalize all other details, with an emphasis on décor and design. We believe beauty lies in the details and will work with you to create an event that is a unique reflection of you and your personal style!

hand+heart will create a detailed timeline and floor plans that we share with all your vendors at least a week prior to the wedding.

In addition to facilitating the wedding rehearsal, *hand+heart* will be at the venue upon first vendor arrival and oversee setup of rentals, florals, décor, etc. Our team will pack up personal items, distribute final payments and tips, and make sure all loose ends are tied up at the end of the evening.

We will be there to ensure the day runs smoothly so you and your guests are able to relax and enjoy your day!

Starting at \$3,000
