Notes:

General:

Additional hours may be **pre-booked**, at \$80/hour.
Discounts are available for military personnel, veterans, and healthcare workers.
“Sneak Peeks” will be posted on social media **within 24 hours** of the wedding.
All initial proofs will be posted in the gallery **within 72 hours** of the wedding.

Initial Meeting: We will meet, over coffee, to discuss your preferences, answer your questions, get to know each other, discuss engagement session locations, and sign the contract.

Engagement Session: Up to about 90 minutes, at a location we choose together. I will use this session to show you posing, and other skills, ahead of the wedding, to help you get better photos. You will be much more relaxed at the wedding, knowing my style, and my skill in capturing fleeting moments. All engagements sessions include free design and 20% discount on invitations.

Wedding Day: You relax and enjoy your wonderful day. I will capture the pictures.

Album Design: This will be a collaborative effort. You decide on a style, size, and quality, and give me some “must have” images. I will design the album and send you a PDF of the complete thing. Then we discuss it and make any changes . We continue until you are satisfied. Your completed album will arrive within a few weeks.
