Travel- cost varies

If our musicians have to travel more than 2 hours to your venue, a travel fee is charged based on the distance driven.

Music Arranging- \$25 per song

757 Strings is happy to accommodate requests for popular music. If the music in question is already in our library, there is no charge. If it requires our musicians to write a new version compatible for your ensemble, there is a \$25 fee per song. We have a wide repertoire, including works by:
