WELCOME

hey there

Hello! I'm Amy, I'm a Southern Maine based Photographer who specializes in lifestyle and wedding photography. My photography style is relaxed, light & airy with a touch of warmth.

My love of people is what got me into photography. Everyone's journey is different, and I love being able to capture an array of life's most significant moments. I believe you can never have too many photos of your loved ones. With this in mind, I would be delighted to design a wedding collection for you and your partner that depicts your one-of-a-kind love story. For me the best part about a wedding day is capturing all the special moments and feelings you guys are going through so that you have them to look back on and remember for a lifetime.

In my spare time I love being a mom! Getting outdoors and enjoying all that New England has to offer us. Oh, and caffeine, all things caffeine! Despite doing photography as a job, I still really enjoy capturing pictures of my life and those around me.

Congratulations and I hope to work with you closely to make sure I am able to capture your dream day!

xo Amy

KIND WORDS

“I wish there were another few stars we could add to this review because that's how great our experience was.

Amy truly is one of a kind as and gave my wife and me a care free, relaxing, but structured wedding photography experience. Some superlatives to start: attention to detail, wrangling of guests, finding amazing and unique shots, coaching us through the optimal poses, and being thoughtful enough to find us five minutes to take a breath in between photos all stand out immediately. The results of the photographs were incredible and really captured the essence of us as a couple. I was also blown away by Amy's thoughtfulness around planning and timing which helped us stay on schedule for the day of the ceremony without feeling like we were rushing. Lastly, Amy is just a lovely human being and a delight to work with. She made us feel comfortable, elegant, and at ease in all of our photos. If you're looking for the best wedding photographer, your search is over. Thank you a million times over to Amy Theresa Photography for a truly magical day and helping us capture memories that we'll remember for the rest of our lives!”

- Robinson W.

Amy is not only an amazing photographer but she was supportive and communicative throughout the process! She offered good guidance on the timing and photo opportunities, she arrived early and ready to go - even helping with the flower girls dress when there was an issue. She chose a beautiful spot for the engagement photos also and made us feel comfortable, offering poses to make sure we looked our best.

All of the photos we got were better than I could have imagined!

WEDDING DAY

experiences

“Best experience with Amy. Not only did she take amazing pictures of our wedding day, but was a delight to to work with. When I was stressed out she helped me calm down and have fun. She also captured the most amazing moments that I will never get back. I will continue to go back to her for family pictures.”

-Sheena P

“Amy made us feel extremely comfortable during the entire day, which was a non-negotiable for me when it came to choosing a photographer! She knew exactly what she was doing & what would look good in the photos, while also respecting what we wanted (& our personalities). Everyone raved about how great our photos came out. She captured the day perfectly!”

- Ashlie P

“Just wonderful!”

Could not have been a better experience! Pictures came out amazing. Captured those moments that I missed. So lovely to work with. My Maid of Honor is a photographer and when she saw the pictures she was blown away. She said she was a true professional.

I will hire Amy again and again!

“Great Experiences with ATP Photography”

“My experience with ATP Photography has been fantastic. I’ve used her services twice—once for an engagement shoot and again for my wedding. She comes prepared and works efficiently ensuring you get the most out of each session. The photos are consistently high-quality and everyone looks genuinely happy in every shot. I’ve happily recommended her to others and plan to use her services again in the future.”

FREQUENTLY

asked questions

WHEN WILL WE RECEIVE OUR GALLERY?

Turnaround time for weddings is 8-10 weeks. Engagement photos are 3-4 weeks.

DO YOU CHARGE TRAVEL EXPENSES?

All travel expenses are based on the distance between your event location(s) and my home. All destinations beyond 100 miles round-trip will be negotiated and handled on a case-by-case basis.

HOW MANY IMAGES WILL WE RECEIVE?

Your gallery will be filled with photos from throughout the day. I typically deliver 75 - 100 pictures an hour. It does depend on which collection you decide to go with.

DO YOU HAVE BACK-UP EQUIPMENT?

Yes, I always have at least two cameras and multiple lenses, it's exceptionally rare that a technical issue occurs but in the event that it does, I'm covered!

DO YOU OFFER CUSTOM PACKAGES?

Yes. I can customize anything to make sure the final package fits your needs perfectly. I also offer an intimate wedding package that is perfect for a smaller wedding day with an abbreviated coverage.

HOW LONG IN ADVANCE SHOULD I RESERVE MY WEDDING DATE?

If you're thinking of having your wedding on a Saturday, then earlier is better. Generally speaking, as soon as you've booked your venue, you should begin your search for a wedding photographer and put down a retainer as soon as you can.

DO YOU TOUCH UP ALL THE IMAGES IN OUR FINAL GALLERY?

Yes I do. Every image I deliver is hand edited with my unique signature style of post production.

HOW DO I RESERVE YOU FOR MY DATE?

A \$1000 nonrefundable retainer & a signed contract are required to get your date locked on the calendar. The remainder of the balance will be set up in a payment plan, all payments are due prior to wedding date.

get in touch

I know all of this is a lot to think about. I created this guide to help make your wedding day experience something you will look back fondly on for years and years to come. At the end of the day, though, the location you choose and the outfits you select won't matter nearly as much as the memories you make together. Your future memories are the most important thing to me. and I want your wedding to be a time for you to just be yourselves and enjoy it!

Love,

amy theresa
