Ask about our 375ml size bottles, great favor for that special day!

Wine Favors are also available to add into your package:

The size of the favor is a 375 ml. bottle (equivalent of half the size of a normal wine bottle or two 6 oz. glasses of wine).

Available bottles:

Mia Labruscana w/label: $5.00 per bottle
Mia Rose w/ label: $5.00 per bottle
Cayuga White w/ label: $5.50 per bottle
Pinot Grigio w/ label: $7.50 per bottle
Empty Bottle w/ label (Children's bottles): $2.50 per bottle (fill with candy for children favors)

We have multiple labels to choose from white/gold bevel, white/silver bevel, circle of flowers, fall leaf, and wine grape label (please visit the winery to view samples or ask for picture samples.) Also our logo labels come in gold bevel, silver bevel, and metallic purple bevel. There are also three colors available for the capsules that coordinate. Choose from black, gold or silver.

The label wording is entirely up to you. For weddings/parties, you can have the names of the bride/groom, or the guest of honor, with the date of the event. Another option is to use the labeled favor as a table seating assignment. In that case, we would need the exact spelling of each guest's name, in alphabetical order, and the table # that they are assigned to (you would have to give us this information as soon as the RSVP's arrive so that we may print accurately and on time). This second option is an additional $1.00 per bottle.

When you are ready to order, we ask that you give us an estimated number of guests and a $100 deposit so that we may hold the amount of favor bottles for the date of your event (if you have already booked your wedding at Maiolatesi Wine Cellars no additional deposits for favors is necessary.) This number is just an estimate. There are no minimum or maximum quantities needed to place an order. When you have all of your RSVP's in, please call us with the exact amount of favors that you would need for your event.
