## WELCOME TO YOUR WEDDING WITH S.SAAB PHOTOGRAPHY

*Your wedding day is the day that you marry your best friend surrounded by all of your loved ones and those who mean the most to you. It's supposed to be magical and perfect. I know that your wedding day also comes stress anxiety from the months of planning; picking the perfect venue, flowers, place settings that go with your color scheme, the dress of your dreams, and of course the financial stress.*

*As your photographer, my job is to capture your special moments and make this momentous day of your dreams a little less stressful.*

*My favorite part about photographing weddings is that for one day and one day alone, I become an imperative part of your family. I have been known to hold the flask for the bride, help her bustle the bustle, and be there for all the intimate moments that most of the guests don't get to see in anything but pictures. From getting dressed to taking a shot, from the first glance to the first kiss and all the way to the dance floor, you can be assured that S.Saab Photography will capture your special day from beginning to end, leaving nothing in between.*

*Thank You for choosing me to capture your wedding!*

### WHY IS THE FIRST LOOK IMPORTANT?

*The first look is a time where we can capture the love and intimacy of the bride and groom and channel the big emotions into stylized portraits of the bride and groom. The typical wedding schedule does not allow a ton of time during the cocktail hour for the bride and groom to have these intimate photos taken along with family and bridal party formals. If you would prefer not to have a "First Look," please allow more time for the cocktail hour.*

### OUR ASK

Please create a timeline of your wedding day with at least 30 minutes of family formals, 20 minutes of bridal party formals, and 30-40 more minutes allocated to the bride and groom's formal and stylized portraits.

## ENGAGEMENT SESSION

*Most of us aren't used to being in front of the camera for a significant amount of time. One of the reasons I offer a complementary engagement session is so that we can get to know each other, spend time together and of course, so can have great photos to send out for your "Save The Dates" and thank you cards!*

*We can do a stylized or formal photo sessions at the location of your choice*

*I require a 30% nonrefundable deposit at the time of booking. This covers travel fees and equipment rental. I also require this deposit so that I can make sure that I save your date. it's not fair to me or other clients for you to cancel your date at the last minute. The final total is due before or the day of the wedding. Payment plans can be negotiated!*

## DO YOU REFUND DEPOSITS ON CANCELATIONS?

*Sorry, No. The deposit is non-refundable. The deposit guarantees that the date will be reserved for your event and your event only. Once you have signed the contract I will turn down all other potential clients for that date. If there is a cancelation due to Covid-19, I will issue a refund of your deposit in the form of credit.*

## wedding questionnaire

---

Occasionally we choose weddings we've shot to submit to wedding publications to be published in their magazines and blogs. When we do, the publications request detailed information about your wedding including a list of all the other vendors you used and other detail information. Some publications also ask for quotes from the couple about their favorite memories or pieces of advice. If the publication we're submitting to requests that, we will be in touch after your wedding!

For now, providing other vendor information will save us a step later and make things simpler.

Providing us with the information also allows us to tag other vendors in social media posts when we capture images of their work, so we can help spread the word on their wonderful services!

 *Please check here if you prefer we not submit photos from your wedding to print and blog publications*
