Wedding Option #2

The Liturgical Celebration

Suggested Donation starting at \$500

(Does not include travel expense at .50/mile. Local Sacramento weddings within 10 miles of Elk Grove are free of travel expense)

The Liturgical Celebration includes the following:

- Catholic Eucharistic Marriage Mass or any interdenominational service of choice including mixed theologies in one service. For example, I will blend a Buddhist Wedding Service with a Roman Catholic Liturgy, or have a concelebrant from another faith join me and work on the liturgy with me, for example a Jewish person wishes to marry a non-Jew and their Rabbi is in agreement. The Rabbi and I will put the liturgy together and officiate together.
- All interdenominational/interracial/intercommunion/gender diverse joining are honored and performed to your specifications and a little creativity from the officiant.
- An interviewing and preparatory sessions (minimum 3 maximum 5) of the couples wishing to blend diverse religious traditions into one ceremony including faith believers and non-believers excluding Satanists and Wickens. It is unheard of for a Christian Minister, even doing a civil

ceremony to deal with Satan in any form or manner. This is the only exception where exclusivity is a theological must.

- A Creative Liturgy. If you prefer, we will sit and plan the entire celebration from start to finish, or I will plan it in total after gathering some essentials like music.
- Booklets will be included up to 25 free of charge for the participants with a fee of \$45 for copies 26 to 50.
- There will be at least one rehearsal at the venue the night before. The couple must contact the venue if this has not already been arranged. I will check out the venue at least a day before the rehearsal to familiarize myself with the venue.
- The ceremony will be held
- Marriage license must be present at time of the ceremony and will be signed during the ceremony. Please bring a copy of the license along with the original. Be sure the copy is an exact copy. If the original is double sided, then the copy must be double sided. Please note, no license-no ceremony. That is the law!

Wedding Option #3

The Renewal of Wedding Vows

Feel free to contact me at any time via email at bishoptonycuderi@gmail.com. Also, please be advised that it is your responsibility to obtain the proper marriage certificate from your local licensing agency. No license, no wedding. Signing of the wedding documents will be done either during the ceremony or right after the ceremony before festivities to ensure all parties involved sign the documents. The wedding documents will be given back to you right after the ceremony, or I will mail them immediately after the ceremony. I suggest either the couple or designate mail the materials

using the USPS registered and signed envelope. If I am to mail the documents that will not be done, it will just be dropped off at the local post office. Please make a copy of the marriage license before the ceremony. I will keep that document for my records if something should happen. All involved parties will sign both documents. One will be mailed according to the law, and the other I will keep in your file in my chancery office in perpetuity. All couples will be given a complementary frameable non-governmental wedding certificate and your particulars will be in my chancery wedding registry for future use.
