

Always remember your day

When the bride and groom tell us their wedding vision, we translate that into the perfect wedding photo experience.

Selecting the right photo experience and video booth to suit the needs of the couple is just the start of the VIP Talent & Events Wedding Experience.

Augmented Reality

Augmented Reality can be added for an additional fee. Jaw-dropping experience! Realistically insert virtual people (your guest who couldn't make it to the event) as a living part of the selfie experience and final photograph. It appears that they walk into the reflection of the mirror and pose with your guests for a truly unique experience. Examples for Augmented Reality: Bride & Groom, Family Member who lives far away or is on Deployment, Your company's product for a new brand launch, the possibilities are endless.
