THE *Wedding* EXPERIENCE

I'm sure your mind is racing with all that needs to be planned. It's all very exciting but it can also be somewhat overwhelming. You're planning the day that you've been anticipating your whole life and yet you only get one shot at it! By the time you get the hang of it, the planning is over! My goal as a wedding photographer is to make this one aspect of the planning process simple. Photography is more than just images. It's a real part of your day. Not only do you deserve beautiful images, you also deserve an amazing photography experience. When our couples feel comfortable and relaxed in front of the camera, that results in genuine, joyful images!

When I think back to my wedding day, I remember amazing memories.... but most of the moments I remember really well are the moments that were captured in my photos. They are priceless to me. Your wedding day is an experience from beginning to end, and photography is a huge part of that experience.... shouldn't it be fun? and enjoyable? and natural? I think so!

THE PROCESS

One way I ensure that our brides and grooms enjoy the BEST photographic experience possible is through forming a relationship with our couples. A bride and groom should connect and trust their photographer and be excited about the whole process with them! After booking, I love getting to know my clients through an engagement session that helps them warm up to the camera and by the time the wedding day arrives, my clients feel more like friends, which creates a safe and relaxed environment for photography! Now that you know a little bit about my approach to the wedding day, you can continue reading to find more detailed information about the wedding experience!

Questions

THE ENGAGEMENT SESSION

Included in any wedding package is a complimentary engagement session! This is such a great time to get to know each couple before the wedding and also help them to become more comfortable in front of the camera. I also love to travel for engagement sessions! I always ask if they have a specific location in mind, because I love it when couples want to be photographed in a location that means something special to them! We like to book engagement sessions at least one month in advance. 60 miles of travel are included.

SHOOTING STYLE

I love being both interactive and discreet throughout the wedding day. There will be parts of the day when I will need to be more in control in order to accomplish everything that needs to be done while staying on schedule. There will also be moments when you shouldn't even know that I'm there. (Ceremony, during dances and toasts, etc.) I teach the couple how to pose and interact during their engagement session so they are naturals on the wedding day and don't need as much instruction.

FREQUENTLY ASKED *Questions*

WEDDING COVERAGE

We are often asked if 8 hours is enough time to capture the full wedding story and the answer is yes! Our main goal right now is securing and saving your date. You can always add additional coverage as we get closer to the big day, because we will have a better idea of your timeline.

DIGITAL IMAGES & THE ONLINE GALLERY

On wedding days, we average 75-100 images per hour of coverage. For engagement or bridal sessions, I usually deliver 60-75 total images. Each client's images are delivered quickly and easily through an online gallery that is sent within 3 weeks of the wedding or session. This gallery will allow you to print, share and download your images as much as you want.

BOOKING

Once I have answered any questions you may have and you have decided that our Wedding Experience is exactly what you're looking for on your wedding day, the next step is a booking proposal. I will create an online proposal that will walk you through the package. When you're ready, you can save your date by signing your contract and paying the deposit.

WHAT ALLISON NICHOLE BRIDES ARE SAYING

BETHANY & WIL

"One of the best wedding decisions my husband & I made was to go with Allison! She & her husband came to our wedding as a team & caught every special moment for us. You will not find a value like hers anywhere else, or someone who is SO easy & comfortable to work with. Working with her was stress-free & very simple. She was in communication with us all the way through to the wedding. I was happy to have her there & felt like she was a part of our team & family. We will cherish our beautiful images forever!"

ANGELA & TOM

"Allison was a DREAM to work with! She is super easygoing, but extremely professional at the same time. She clearly knows exactly what she is doing & has remarkable talent for taking beautiful photos! She has the fastest turnaround time for getting pictures back of any wedding photographer I know. I would recommend Allison to anyone & I am so glad I found her to capture my day!!"

PAIGE & MATT

"Allison was fantastic to work with throughout the wedding planning process. She was quick to respond to my many emails and very detailed in her communication.
