CONGRATS!

Thanks so much for getting in touch with me about your upcoming, special day – cheers and congratulations again for sealing the deal!

An abundance of starry-eyed happiness and clinking of glasses await, and I'd absolutely love to be a part of your celebrations. As a wedding photographer, I adore capturing the raw, unabashed connection between two souls, embracing the essence of your romance.

Price and Information Guide

Why I can't wait to document your day

From stolen glances to soft kisses and getting loose on the d-floor, I'll be there to document your love story (and all the fun parts). I'll even make sure to snap authentic moments that may've slipped by unnoticed – there're seriously the best ones!

Whether you want me to inconspicuously lurk in the shadows, snapping candid shots or be right up the front, rounding everyone up for group photos, I'll be the chameleon you need on the day. Either way, I'll be behind the lenses, not missing a beat.

Hand on heart, every ounce of my energy will go towards creating a gorgeous collection of images to forever memorialise your day. When you look through the photos memories will come to life and it'll be as though you're right there doing it all over again.

HI, I'M REBECCA

A creative soul with a love for romance.

I have always been creatively minded and had a deep love for true connection between humans, the unabashed real type of connection. I believe, at the end of the day, these true moments, even the smallest ones, are what mean the most. Weddings are filled with these tiny moments and the fact that I get to capture them, stop time and hand them onto you to be remembered forever means more than you may ever know.

Chat soon, I can't wait to hear all about your ideas and plans for the day.

KIND WORDS

“Rebecca’s work is absolutely beautiful; we couldn’t be more pleased with our wedding photos. Not only is it a pleasure to watch her vision unfold, but her efficiency dwarfs that of any wedding planner. We decided to get married during Covid, and the details of our small, private ceremony were constantly changing. Rebecca handled each obstacle as if it had been intended from the start. She made everyone feel safe and comfortable, as she captured our special day. We’re so glad we chose her, and that she now calls Houston her home. Book her now!”

I don't even know where to start with Rebecca! I've now had two photo sessions with her - we had her take our engagement photos and wedding photos - and I am SO overwhelmed with what she's given us! I stalked her a bit on Instagram before hiring her and have zero regrets! Not only is she a kind, vibrant professional, she is SO TALENTED. From the second we started talking, she was so invested in our wedding and was genuinely excited about working with us from the start. She was so open and patient with us, listening to everything we were looking for and also giving us her 100% transparent opinion and recommendations which I loved and SO APPRECIATED.

She made sure to give us some coaching to avoid some awkward posing and was constantly making us laugh. She was a JOY to have around on our big day. We may have hired her to just take our photos at first but we left our wedding with a friend for sure.

*Also, if you're planning to turn your reception into a PARTY, she is the RECEPTION PHOTO QUEEN! SHE CATCHES EVERYTHING IN THE MOST MAGICAL WAY
A million thanks again, we're already recommending you to all the couples we know!"*

SECOND SHOOTER

The perfect solution to cover multiple locations or big weddings.

As much as I'd love to clone myself and be in two spots at once, it's a lot easier to get extra coverage if you choose to have a second shooter on the day.

This is a particularly good idea if:

- you have a large guest list, and want to make sure we get shots of everyone that's there on the day
- you and your partner are getting ready at the same time, and the locations are far apart
- you're wanting photos of the ceremony and reception styling, prior to the arrival of your guests

Basically, the second shooter will act as my wingman/ wingwoman, doubling the coverage of your wedding.

We'll team up to make sure that everything is captured, from start to finish. Locations far apart. Lastly having a second shooter will ensure photos are taken of the ceremony and reception styling, undisturbed by guests.

+\$800 for a second shooter

ENGAGEMENT SHOOT

Authentically capturing just the two of you, being yourselves

How many professionally taken photos do you and your partner have, ones that you really love and can fill your home with?

An engagement shoot is a chance for us to capture some really beautiful, candid photos of you and your partner in a relaxed environment. Just the two of you, being you.

Plus, if you're a little camera-shy, it's the perfect opportunity for you to practice being comfortable in front of the camera, in the lead up to your wedding day.

Either way, I promise that we'll have a lot of fun while we're at it.

PACKAGE INCLUDES

- + 1 Hour Shoot
In your chosen location
- + High resolution photos
print your favourite moments from the day
- + Online slide show & gallery

FAQ

Where are you based?

I'm based in Houston, Texas, but I travel all over the globe to capture love.

Do you photograph internationally?

You bet I do! Nothing excited me more than the opportunity to shoot a destination wedding or elopement. If you're thinking of taking your celebrations overseas, please get in touch so we can chat about the finer details.

Do you do same-sex weddings?

A million times YESS!!! LGBTQIA+, no matter how you identify and regardless of how you define your relationship, I'd love to be a part of your wedding day. Love is love and I'm 100% here for it!

Do you photograph elopements?

If you and your partner are thinking of skipping the fuss and running off to do a private ceremony with just the two of you or a handful of your nearest and dearest, I'd be absolutely honoured to document your intimate ceremony. Our elopement packages start at 4 hours' coverage, so get in touch if you'd like to learn more.

How many photos will I receive?

You'll receive over 600-800 photos, depending on how many hours we shoot and how jam-packed your wedding day is!

How will I receive my photos?

Firstly, I'll send you a handful of sneak peek shots a couple of days after your wedding. 8 to 12 weeks later, you'll receive a link to your online gallery and slide slow to watch and relive your wedding day. Around the same time. Depending on the package you select you'll receive any tangible objects!

How long will it take to receive our photos?

It will take roughly 8 to 12 weeks to receive your final wedding photos. I put a lot of love and care into perfecting each image, which is why it'll take me a little bit more time to deliver your final images. If you'd like your photos sooner, please ask me about the rush fee.

Will you guide us throughout our time together?

Don't worry about a single thing! By this point remember that we'll already basically be friends – and I'll be directing, posing and guiding you throughout the entire shoot. Think of shooting with me as a laid back, fun hangout with a camera, I promise you'll look great and feel comfortable.

What happens if disaster strikes?

This has never happened and will NEVER happen. However, if it did, I have contacts all over the world that will be able to step in. These are other talented photographers who will take good care of you.

Of course, I'd love for you to print your favorite photos! You can easily order photos prints through your online gallery.

What if I have to cancel or move my booking?

Life is complicated and the unexpected is to be expected. The retainer is non refundable as this helps to protect my business due to turning away all other booking for your wedding date. I hope you understand that retainer is insurance for my business to stay afloat in the event of a cancellation.

LOVE NOTES & KIND WORDS

Testimonials I've received from other couples

"AMAZING!!!! My photos came out absolutely perfect."

AMAZING!!!! My photos came out absolutely perfect. If you think going on a photo shoot is awkward or embarrassing, think again! I just felt like I had a fun day with my fiancé: messing around, making each other laugh, and sharing real moments as Rebecca took the most gorgeous pictures of us. It takes a really talented photographer to not even have to pose their clients to capture beautiful, expert quality photos. 10/10 would recommend RKM photography for your wedding or engagement!

- Delaney and Ethan

"Rebecca was so kind, and patient."

Rebecca was an amazing photographer and we LOVE the photos and the memories that she captured. I was a COVID bride and our large wedding got postponed and I hired Rebecca to capture our small intimate ceremony at our family's house. Rebecca was so kind and patient throughout the entire process and was very helpful. During the wedding, she was very professional and prompt. She was able to coordinate a lot of family photos very quickly which was awesome!! I stare at our wedding photos everyday! I would definitely recommend Rebecca to capture your special day!! She has a vision that captures all the special, funny and memorable moments on the wedding day

- Bekkah & Chris

"What can i say? I LOVED everything!"

What can I say? Loved everything RKM had to offer and more. I got a photographer and a wedding coordinator as a bonus. Rebecca not only has an eye for beauty but a heart that guides her in always doing what is best for her customer. She even went out of her way to talk to our venue and florist to ensure everything was perfect. Her insight into things we didn't even think about was so appreciated, not to mention her ideas to shoot beautiful photos made everything so easy and perfect. I would recommend her 1000% for everything, not just weddings. A talented person and amazing human being :)
