# F A Q

---

**Q: What is the gallery delivery time?**

**A:** I always guarantee a 6-8 week turnaround for wedding galleries! We know how excited you are to see them, but this time frame gives us enough time to make sure they are perfect for you.

**Q: Do we get sneak peeks?**

**A:** Yes! Within the first week of your marriage, you will get a sneak peek of about 20 photos from your day!

**Q: How many photographers will be there at our wedding?**

**A:** Our Intimate and Deluxe packages come with one photographer, and our Premium package includes two photographers. You are more than welcome to add a second shooter to an Intimate or Deluxe package for an additional cost of \$50 an hour.

**Q: We already did engagement photos, can we get a discount on the packages?**

**A:** Engagement photos are complimentary with every wedding package. I always say that you can never have too many pictures, and what better way to get to know your photographer? You do not have to redeem your complimentary session, but the prices of our wedding packages do not reflect the price of an engagement session so they cannot be adjusted.

**Q: What is your travel policy?**

**A:** All packages include 50 miles of travel, anything additional to that will be charged \$.60/mile. For travel weddings, clients will be responsible for round-trip airfare and two nights, of reasonably priced, accommodation, of the photographers' choice.
