FEE-FREE PLANNING and BOOKING AGREEMENT

This Agreement Letter is to notify you of what the fee-free planning services entails.

As your Romance Travel Specialist I am here to use my personal experience and professional expertise to create your Romantic Getaway or Family Vacation a memorable one. I will research destinations, hotels or resorts, cruises, and multi-city tours that meet your specific needs. I will contact suppliers, and coordinate transportation. I will make your travel as smooth as possible by planning, being available during your travel, and when you return.

I will be more than happy to set up a free consultation, any phone appointments or appointments to meet in person during the planning process. After receiving your LoveShack Vacations Questionnaire Form and Fee-Free Planning Agreement Letter I will review your Questionnaire Form. Expect to be asked more questions so I can better qualify you for the best Destinations, Resorts, Cruises, or Multi-City Tours that best fits your interests and wants.

Using my personal experience and professional expertise I will notify you and make suggestions when necessary if your chosen destination(s) do not meet your desired budget for your romantic getaway or family vacation. Also if you have specific activities/excursions you would like to participate in at your chosen destination(s) I will notify you if this is not possible.

I will provide a limit of up to 5 Quotes based on your interests, destinations, and budget. Quotes that I do send you can fluctuate in price until booked. In some cases If you find a better price for the EXACT same travel components that you booked by LoveShack Vacations you must show proof and I may be able to Price Match.

I have read and understand the process of LoveShack Vacations Romance Travel Specialist, Laura Gibson Fee-Free Planning and Booking Services.
