who is MPW

MPW is a group of highly rated/ award winning artists (*led by photographer Glenn Maningas*) who dreams to reinvent the way weddings are captured. MPW is obsessed in documenting people's emotions. With 15 years of experience in the wedding industry MPW strive to produce extraordinary moments captured on film and cinema.

Photography and Cinematography is MPW's means to display and express the unending quest of new discoveries - the next level of unique wedding experience!

what do

MPW do?

MPW started in 2003 and is growing and making an impact in the wedding scene every year. We always find ways to improve because as we always say "YOUR WEDDING IS OUR WEDDING"! We capture every moment, every little detail of happiness and every piece of your unforgettable day! We want to leave a mark in your hearts – a mark that will make you look for more of the "MPW Wedding Experience".
