Testimonials

Tatiana & David - April 2019

Long overdue review here! I had a wonderful experience with Mable's Tables Flowers!! Incredibly creative, professional and flexible. The work she did was so beyond expectation, I can't imagine what my wedding would've looked like without her vision! So lucky to have found her!!!

Lucy & Marshall - December 2018

Kasey is fantastic. She made our wedding so beautiful with the arrangements and centerpieces. Prior to booking Kasey I received over fifteen quotes and was starting to believe I would have to settle on candle centerpieces as what I wanted was too expensive and out of our budget. But I found Kasey on one of my extensive searches and took a chance and everything ended up more beautiful than I could have imagined. She listened to all my requests and made my vision come to life. I could not have asked for more beautiful arrangements and everyone at the wedding could not stop raving about them. Not to mention she also was able to acquire flowers that were out of season and within my budget.

Crystal & Zach- July 2019

"Mable's Table is the best florist in town! She did amazing job and very responsive even in the busy season! I loved everything about my flowers on my big day!
