A Blessing From Above
Ceremonies & Services

I have 2 types of Wedding Packages, designed to fit any event .
Small & Intimate gatherings or Grand Events with Bridesmaids & Groomsmen !

1. **The Simple Package $250.00** If you are a couple seeking a Wedding Ceremony that is Simple & Sweet, this is perfect! You have your choice from 3 Pre-Scripted Ceremonies and a single Unity Ritual such as a Sand Ceremony or Celtic Hand Fasting. After the Ceremony, I handle signing and retuning your Marriage License to the Courthouse via Certified Mail. You will also receive a beautiful keepsake Wedding Certificate couples often frame. The Wedding Location can be anywhere you choose. Locations outside of the Southside Hampton Roads area may incur a small Travel Fee.

~ Personally written vows are encouraged and welcome ~

2. **The Designer Package $350.00** For couples who have a large Wedding Event planned, complete with Bridesmaids, Groomsmen, Rehearsal, and Reception, this is a great choice. The Wedding Script is more uniquely tailored to your personal beliefs and cultural traditions, if any. In both packages, I meet with you personally to get details about you as a couple. My presence at the Rehearsal is included in the Designer Package, which helps the Wedding Party feel more "organized" come the Wedding Day. Once again, I handle the Marriage license via Certified Mail, AND also provide you with a copy of your uniquely written Wedding Ceremony Script and Keepsake Certificate! You may also have multiple Unity Rituals included if you choose.

These rates also apply if you are looking to have a VOW RENEWAL
or even a sweet BABY DEDICATION. I have performed many of each!
