MEET MICHELE

From the moment I received my first disposable camera as a kid, photography has been an integral part of my life, evolving from a cherished childhood passion into a lifelong journey. Over the past several years, under the mentorship of an award-winning wedding photographer, I've refined my skills, ensuring that every photo I take captures a captivating and personal story.

My approach to wedding photography combines posed and candid shots with the right touch of creativity, delivering beautiful and unique photos that are true-to-color, timeless, and brings you back to your wedding day every time you look at them. On your wedding day, think of me as a friend who's there to capture the laughter, the tears, and all the unforgettable moments.

Based in Mountain Home, AR, I'm well-known at weddings across Northwest Arkansas and Southwest Missouri. And for those dreaming of a destination wedding, I'm ready to pack my bags and capture your story wherever it takes place.

My commitment to every couple is straightforward: I'm all in. From detailed preparation before your big day, getting to know your unique story, to being right in the middle of the action, capturing everything from the grand moments to the subtle glances. I'm there to document the essence of your day, ensuring every emotion is beautifully preserved for you to relive.

YOU HAVE QUESTIONS

Q: What sets you apart from other photographers?

A: My approach centers on capturing true-to-color, timeless, and creative images that convey genuine emotion, not just creating beautiful visuals but also narrating the story of your wedding day. With an emphasis on artistic creativity and a keen eye for candid, heartfelt moments, my photography goes beyond the conventional. I aim to make the photography experience both enjoyable and memorable. By forming a personal connection with each couple, I ensure every session is relaxed and uniquely tailored to their story, allowing me to preserve the authentic and joyous moments of their special day.

Q: Will we get the print release to our photos after our wedding?

A: Yes! After you receive finished gallery, you'll be able to order high-quality prints directly from my professional print labs through your online gallery. You also have the option to download the images and use the print shop of your choice for prints. Either way, you'll have complete freedom to enjoy and share your beautiful wedding photos just as you wish.

Q: How many photographers will be there at our wedding?

A: For my deluxe and classic packages, a second photographer is included to ensure every special moment is captured from multiple perspectives. If you opt for my basic package, I will be the sole photographer, dedicated to covering your wedding with the same attention to detail and creativity. Whichever package you choose, you can rest assured that your wedding day memories will be beautifully and professionally captured.

Q: Do you have a list of preferred vendors to use?

A: Yes! From wedding planners to florists and caterers, I have worked with some of the best vendors in the industry & would love to share their information with you!

I HAVE ANSWERS

Q: Do I have to order prints through you?

A: I highly recommend ordering prints through my professional print labs, but it isn't required. The difference in quality is huge when it comes to ordering through a professional lab, so I always love to help with prints!

Q: What equipment do you use?

A: I use all of the latest Canon equipment. I will have two cameras on me, the Canon EOS R5, the 5D Mark III, 35 mm lens, 50 mm lens, & the 85 mm lens, among other items, including back-up cameras and gear. If your package includes a 2nd photographer, they will also have a DSLR or mirrorless professional grade camera.

Q: Do you photograph destination weddings?

A: Absolutely! I love the unique charm and excitement that comes with destination weddings. I'm always ready to collaborate with you to create a custom wedding collection tailored to your specific travel needs, ensuring your special day is captured beautifully, no matter where it takes place.

Q: Are the people featured on your site models?

A: Each photo in my portfolio showcases real moments from real weddings, featuring my wonderful clients. I'm grateful for the opportunity to capture their special days!

Q: How do we reserve our wedding date?

A: To reserve your wedding date, both a retainer payment and a signed contract are required. You have the option to pay a 50% retainer, with the remaining balance due 30 days prior to your wedding, or choose a \$500 retainer, spreading the remaining balance into monthly payments, which must be completed 30 days before the wedding.
