THE COMPLETE EXPERIENCE

Your wedding day will be filled with fleeting moments that you'll want to cherish for the rest of your life. Rest assured with professional photography and an heirloom album by Captivating Imagery. Coverage includes edited, high-resolution digital proofs and a 20-page 10x10 heirloom album with your choice of 30 retouched images.

6 hours of coverage and heirloom album \$2500

Additional hour of coverage \$300

2nd photographer \$500

We believe wedding albums are essential to preserving your wedding photography. When everything is said and done, your wedding album is a lasting way to remember your day. Choose your images and we will create a custom design on our flush mount pages bound in your choice of genuine leather or linen. Each album is crafted with the highest quality materials and attention to detail to create a beautiful heirloom that will be handed down for generations. Parent albums are also available as a 6x6, 10-page album for \$600.

ENGAGEMENT SESSION

Document your love story with an engagement session. It's a great way to get comfortable with being photographed as a couple and get to know your photographer.

Engagement Session \$400
