Pittsburgh Wedding Photography Pros

Your wedding day will be filled with fleeting moments that you'll want to cherish for the rest of your life. Rest assured with Captivating Imagery's professional team of photographers, hand-picked and trained by Kate Miller, who founded Captivating Imagery in 2008.

Packages include two photographers for 8 hours of coverage. You'll receive over 500 edited digital files (sized to make 8x10 prints or smaller) in a downloadable gallery within two weeks from your wedding day.

\$2500

8 hours of coverage with two photographers

\$300

Additional hour of coverage

Document your love story with an engagement session. It's a great way to get comfortable with being photographed as a couple and get to know your photographer.

\$500

2-Hour Engagement Session

We believe adding a wedding album is essential to preserve your wedding photography. When all is said and done, your wedding album is a lasting way to remember your day. Choose your images and we will create a custom design on our flush mount pages bound in your choice of genuine leather or linen. Each album is crafted with the highest quality materials and attention to detail.

\$1350

20-page heirloom album

Add both the engagement session and the 20-page heirloom album and save \$350!
