WHY CHOOSE ME

Your hair and makeup are going to be in every single photo of you, and on the most photographed day of your life you want to look and feel like the most beautiful radiant version of yourself. With so many talented options available, how do you see over the mountains of pretty images and know who to work with?

Because I do not take on more than one wedding a day and limit the number of brides each month, I can fully devote my time and attention to making your experience relaxed and luxurious.

My commitment to your peace of mind means that I bring the luxury and convenience of on location hair and makeup services right to you.

TRIAL

All of my trials are done at Colorz & Cutz Salon in Canby Oregon. I typically recommend getting a trial 2-3 months before the wedding day.

Need skincare advice? Extensions? I've got the solutions you need from product recommendations to custom extension matching.

Please visit my website under the shop page for bridal veils, jewelry, & accessories!

When we're done, it's time for your photoshoot! We'll capture your look on camera with picture and video and I'm happy to send you a copy of the photos!

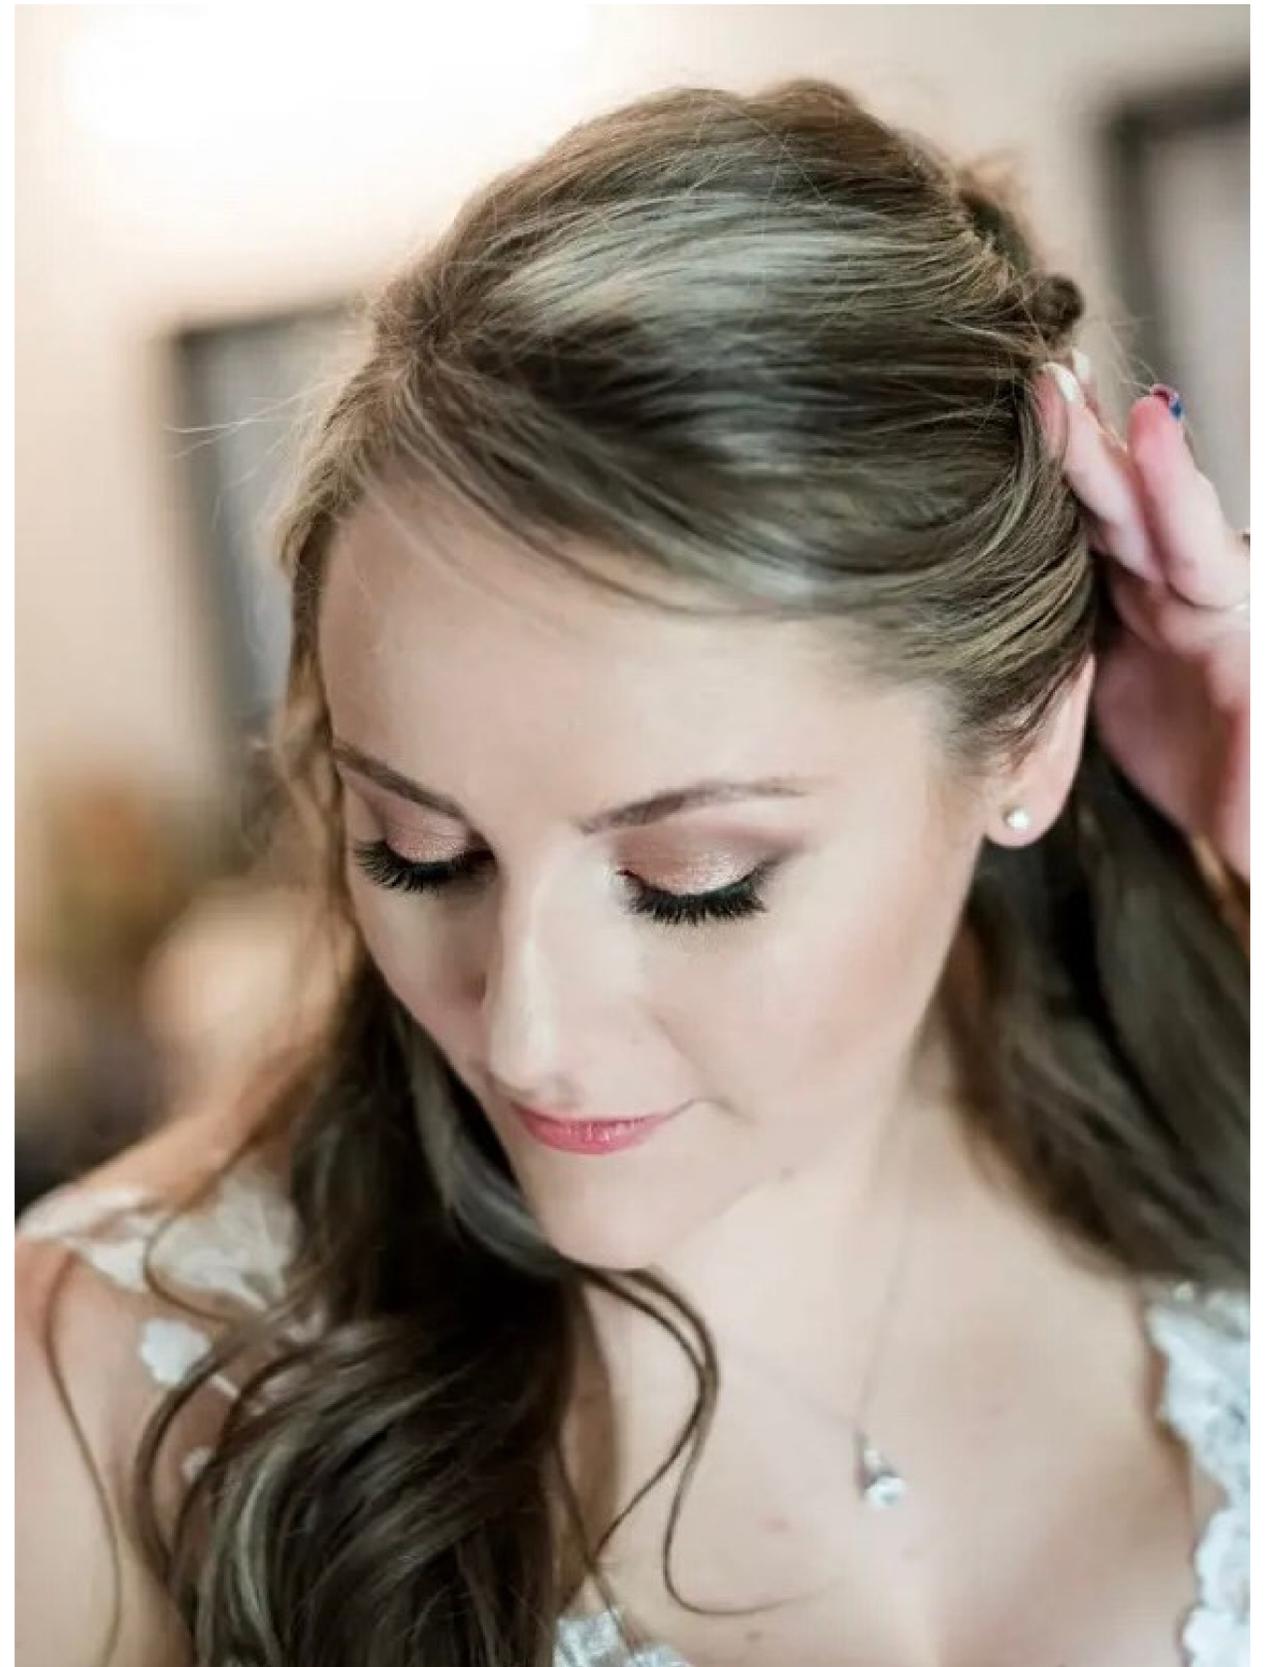

PAYMENT

Payment for your wedding is done in two parts:

Retainer: Travel/Retainer payment is due at contract signing to reserve your date.

Balance: The remaining balance and any add on services is due 7 days before the wedding date so that you can relax and enjoy your getting ready process.

All payments are available online through my website. I also except Paypal, Square, Check, & Cash App - \$BethanySafstrom

Keep In Mind...

As with all wedding vendors, we book 6-12 months or more in advance. Booking hair and makeup is unlike scheduling an appointment at the salon. Inquiries come in daily, and dates book quickly!

That means that while we don't want to rush your decision, we cannot guarantee availability without a signed contract and retainer. Once a contract is sent to you along with an invoice to pay the retainer fee we can only reserve your date for up to 72 hours before receiving the contract back along with the retainer.

AND LASTLY...

So what's next? Simply send me an email and let me know if you'd like to move forward and that you would like a contract. You will receive 2 separate emails with the contract and an invoice to pay the retainer fee and once both of those are received I can book your date!
