*Welcome!*

**I'M BRITTANY**

*Congrats on your engagement!*

*I'm Brittany, the lead photographer for Brittany Morgan Photography. I'm so excited to have you here.*

*If you're all about having fun and showing off your love to the world, you've come to the right place.*

# MY STYLE

## BOLD > VIBRANT > CANDID

*What you see here is what you'll get. I aim to create bold and crisp, timeless images that will look good forever. I'm a lover for the in between moments. You can always count on me to capture those "can't miss" moments of the day, but I'll also be there to capture the ones you may not even know are happening. The second your husband grabs your hand under the dinner table when no one is watching...a shot of your mother's happy tears from the front row as you read your vows. THOSE are the moments I live for. At the end of the day, you can count on me to provide a gallery filled with consistent color, candid poses, and most importantly, GENUINE emotion. Let me tell your story*

*"Love recognizes no barriers. It jumps hurdles, leaps fences, penetrates walls to arrive at its destination full of hope."*

*-Maya Angelou*

## SO WHAT'S THE BIG DEAL?

---

*If you haven't figured it out already, I love to have fun. While sticking to some traditions of the wedding day is definitely important, I find tons of value in actually enjoying your day and having fun too. It may sound biased, but it's true - the photos (and maybe video if you choose that) are ALL you will have left when the day is over. I would love nothing more than for you to look back on images that bring you back to those very moments. Not just a memory, but a feeling. How can I make that happen? By curating the absolute best experience for you that I possibly can so that all throughout the day, you almost forget that I'm there, and I'm capturing your GENUINE emotion. That's what makes or breaks it for me, and I'm not willing to give that up.*

# PHOTO FAQs

## DO YOU CHARGE TRAVEL FEES?

*Travel fees are unique to each wedding. Within 3 hours of Jacksonville, you should budget for \$300 (gas/mileage/hotel for one night). For anything more than 3 hours (or outside of Florida) I will send you a customized quote based on flights/rentals/hotels needed for the trip. \$600-700 is usually the sweet spot for domestic travel.*

## WHAT'S REQUIRED TO BOOK?

*50% retainer & a signed contract. The rest is due 30 days prior to the wedding date.*

## WHAT HAPPENS AFTER BOOKING?

*After booking, I'll walk you through what's next. But basically, it's super simple. I will send you a complete and comprehensive wedding photography guide to help you prepare, we'll have an engagement session, I'll go over your day-of timeline with you, and then we'll do the damn thing! Don't worry, all of that will be spread out over time so you're not overwhelmed!*

## WHAT'S THE MOST IMPORTANT THING WHEN HIRING A PHOTOGRAPHER?

*You will spend more time with your photographer than your fiancé(e) on your wedding day. Crazy, right?! That's why I want to stress HOW IMPORTANT it is to vibe well with your photog.*

*It's so much more than a business transaction. We'll be wiping your tears & providing you with more lipstick that day. So I want to make sure we are a great fit!*

## WHEN WILL WE GET OUR PHOTOS?

*All wedding galleries are delivered within 4-6 weeks of your wedding date. It all depends on how many weddings I am currently working on. That being said, you can ALWAYS expect several sneak peeks within 48 hours of your day.*
