What contributes to the cost of GL couture garments?

♥ Labor

- ♥ An average of 10 hours for the GL team to design, sketch, and hand make a proto sample.
- ♥ An average of 4 hours for pattern making.
- ♥ An average of 12 hours for the factory to cut the fabric and assemble the garment(s).

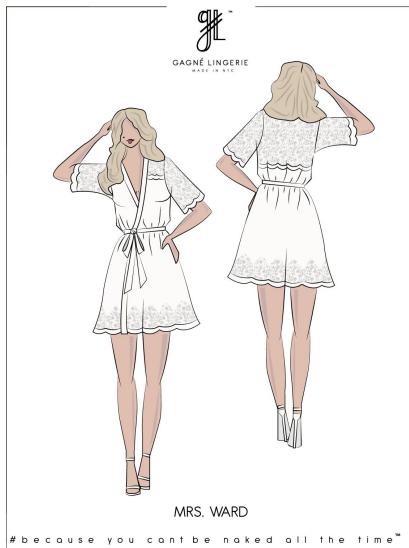

♥ Materials

- ♥ Proto sample and final garment materials- lace, silk, buttons, trims, pattern paper, etc.
- *Lace pricing varies and can dramatically affect pricing.

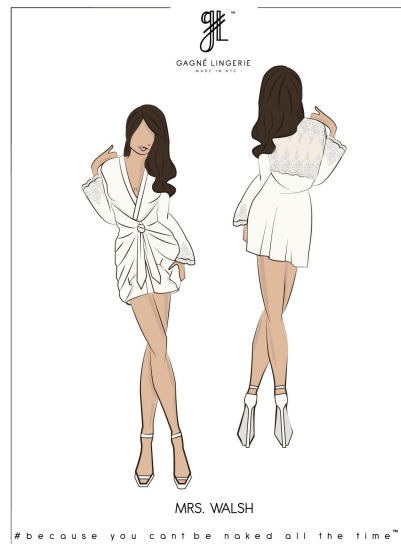

**Each couture garment is made specifically for you and will have its own price. Below are a few previous couture robes to provide a retail price range. The above factors will determine the final cost of your bridal set.*

**Please let us know if you have a budget you are trying to stay within.*

**All couture purchases are gifted with custom labels and a GL garment bag.*
