WELCOME

I'm Emma and I am a wedding, engagement, and portrait photographer based out of Seattle, WA.

Photography had my whole heart from a very young age. I would run around the backyard with my mom's camcorder on the still setting, taking pictures of bird nests, big trees, and my dogs (duh). Throughout high school I flooded my Myspace and Facebook pages of my friends and all our shenanigans, and finally toward the end of college I started to push myself to learn and understand my craft to a higher degree. I doubted myself like crazy when I started posting my "real" photography, but to my surprise, my community supported and cheered me on every step of the way.

I finally turned the corner into wedding photography a few years ago and have never looked back. Getting to be with couples every step of their day is an incredible honor. Capturing all of the details you thought so diligently about, the dress you cried in when you put it on, the guests who love you more than anything, and of course your insatiable love for one another is my absolute priority and mission.

SHOOTING PHILOSOPHY

My philosophy is simple: capture everything, make sure the day is completely seamless for you, and crack a few jokes along the way. Weddings can be stressful, there's no doubt about that, but I promise to help things happen as they should and provide a good energy for everyone.

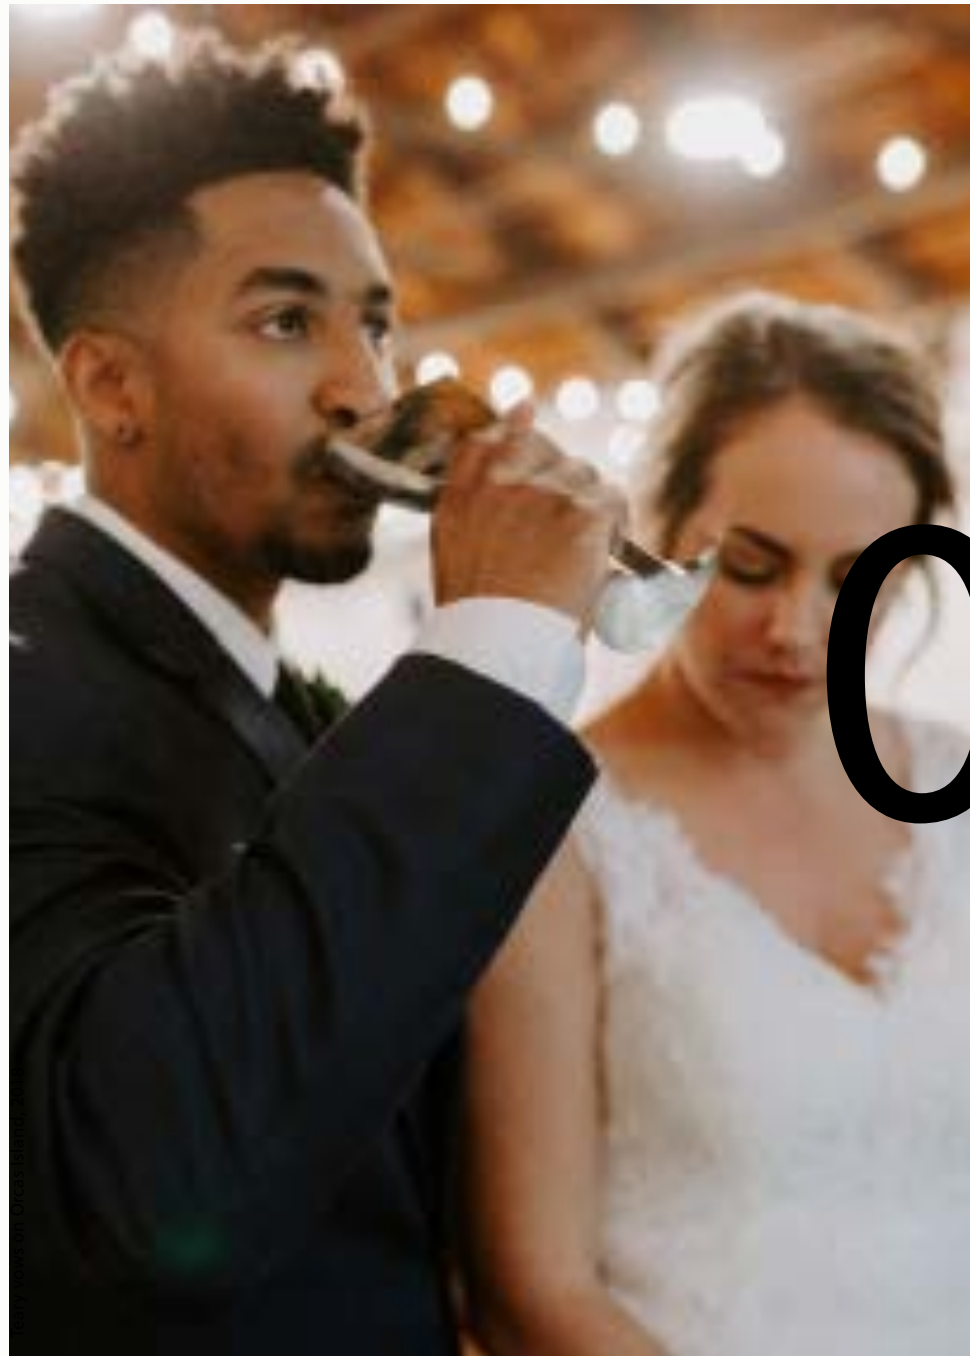

Wedding photography is an investment, as we know. But what I hope to convey to you is that by booking me, you aren't just booking a wedding photographer. You're booking a support system as you go about your planning (nothing pumps me up more than hearing about your wedding plans!), you're booking a cheer leader (seriously - I'm your

number one fan already), and you're booking an experience. I've been told that I am equal parts easy-going, professional, and a good time (weddings are a party if nothing else, right?), and I hope we get to experience that together!

INVESTMENT

COLLECTION ONE

This option is best if you are either having a smaller wedding, or really only need the “bigger” moments captured. First look, bridal party, ceremony, etc. Together, we can create a timeline so that we max your time with a photographer!

- 6 hours of coverage

\$1500

COLLECTION TWO

Great for adding a little more wiggle room to your timeline. This allows me to get more detail shots, possibly more portraits of the bride and groom, and any extra things we need captured.

- 8 hours of coverage

\$2100

COLLECTION THREE

This is a very common package. 10 hours usually includes time for getting-ready shots in the morning all the way through the ceremony, depending on the timeline. Plus, this includes an engagement session (!) which helps us get to know each other beforehand.

- 10 hours of coverage
- 1 hour engagement session

\$2800

COLLECTION FOUR

Definitely the safest option, including all day coverage and ensuring that every part of your day is captured. We also get to adventure together on a longer engagement session beforehand if you wish!

- All day coverage (10+ hours)
- 1-2 hour engagement session

\$3500

ENGAGEMENT SESSIONS

A time for the two of you to get excited for your upcoming wedding and marriage. Intimate, real, with a location of your choice.

Engagement sessions are the best way for us to get to know one another, and of course are a great way to get some photos for announcements, save the dates, decor for the wedding, and tons of Instagram likes (I know you're about it).

Together we can talk through some location ideas - whether you want something more urban or out in the mountains, I'm down for it all! We'll play around with different outfits, I'll get the portable speaker bumpin' some jams, and we'll have some fun!

My 1-2 hour session is listed below, but please inquire about my mini-session if you are interested in that!

“Emma is THE BEST! Her pictures speak for themselves. What makes her an exceptional photographer is the compassion, energy, and integrity she brings to the day. Amidst a sometimes stressful day, she is poised, laid back, and efficient, directing everyone with kindness and creativity. Emma has a great gift for capturing small moments that make love, friendship, and emotion evident. We will be enjoying her pictures for a lifetime and reliving the joy she so beautifully captured!”

FAQ

IS THERE A RESERVATION FEE?

Yes - I require a 30% non-refundable deposit in order book your date with me.

HOW DO YOU ACCEPT PAYMENT?

I accept payment through Paypal, Venmo, or by check.

DO YOU TRAVEL, AND DOES IT COST TO HAVE YOU TRAVEL?

Love that you asked! YES, I love to travel and am willing to go anywhere. It does cost to have me travel. But not as much as you'd think, because I want to go everywhere! I require all of my travel and lodging, etc. to be covered, as well as an additional fee dependent on the details of the trip. Please inquire so we can talk specifics!

HOW MANY IMAGES CAN WE EXPECT?

It depends on the package. On average, you can expect about 70-100 images per hour. Often it is much more than that, but the amount really depends on the nature of the day, and what I feel is beautiful and worth delivering to you. I promise, I won't hide any good ones from ya!

DO YOU POST EVERYTHING ONLINE?

Not everything, but I do post a lot of my work online because it helps clients to see my recent work. If there is anything sensitive that you strictly do not want to be posted, I am happy to oblige!

WHAT DO WE DO IF IT'S RAINING AT OUR ENGAGEMENT SESSION OR WEDDING DAY?

The simple answer is we make the best of it! For an engagement session we can stay in touch about rescheduling if the weather is truly atrocious. With weddings that we obviously can't push back, we choose to have fun with it! I always encourage bridal parties to bring fun umbrellas for back up, and we can always find an indoor area or dry spaces outside we can work with. And I mean, if you don't mind dancing in the rain for some fun shots I sure as heck will capture it!

DO WE NEED A SECOND SHOOTER?

Having a second shooter is definitely a nice investment. They are able to assist me in getting more angles during the ceremony, and are sometimes able to see moments/details with their eyes that I can't. That being said, I am fully confident in covering a wedding by myself. But if you want the option simply to add a bigger array of photos in the end, I would definitely consider it!

HOW LONG DOES IT TAKE TO GET OUR PHOTOS BACK?

For an engagement you can expect them to be delivered in 2-4 weeks, and for a wedding you can expect them to be delivered in 6-8 weeks. They will be delivered in an online photo gallery where you can download and print all your high-res files!

CAN WE HAVE THE RAW FILES?

Nope, sorry!

DO YOU SHOOT FAMILIES, SENIORS, OR MATERNITY?

Yes! I do not do these as often as I wish I could, but if I am available I would love to capture these special moments in your lives. Feel free to contact me about pricing!

NEXT STEPS

Woohoo! You made it through this fun little packet! And now you're wondering, what do I do to book?

It's easy. Shoot me an email saying you're ready to save your date (!!!), and send me your 30% deposit and we're good to go! After that, I am open for continuous communication about any questions you have or fun details you want to share.

I am also more than happy to meet up for a coffee (or a margarita, who are we kidding) to discuss things in person, give some initial attention to your timeline, and go over any and everything we want to at this point. We can also meet up closer to the wedding date if

you would like. And of course, if you just want to communicate via email until the big day, that's perfectly okay too!
