

Hello

I'm Robert Rios, wedding and portrait photographer. Focus on capturing real moments and emotions through elegant,, timeless and awesome photos.

I'm schooled in architecture and have worked as a creative director for an animation studio. My background inspires the way I shoot, which can best be described as a fusion of creative, modern and editorial flair.

I love to work with fun, creative, and easy-going couples who are madly in love. As I guide them through the process I like to develop a bond with them that will allow me to capture raw and genuine moments of true emotion.

If you're interested in having me be your wedding photographer send me a message.
I look forward to hearing all about your big day and getting to know you more.

Frequently Asked Questions

I enjoy guiding couples in their journey to the big day and will help whenever possible. So to start I have outlined responses to the most common questions couples have.

Q: Will you be the photographer?

A: Yes! I take great pride in my work and I love to be the one who is behind the camera capturing the details and moment. From first contact to final delivery I will be the one you interface with throughout this adventure.

Q: What is your photographic style?

A: Images with a creative, modern and editorial flair. I love to use the emotions of the moment to capture the best possible images. Most importance to me is that my images reflect the joy and sincerity of the clients and the moment.

Q: How far in advance do you book weddings?

A: If the date is available let's book it!

Q: We definitely want to book you! What's the next step?

A: Awesome! To officially book me, you'll have to sign my contract and pay a non-refundable retainer fee of 10% of the total cost. As soon as those two things are in, you're booked! If the date of the event is less than 3 weeks away full payment will be required.

Q: What methods of payment do you accept?

A: I gladly accept cash, Apple Pay, Venmo, Cash App and PayPal.

Q: Can we make monthly payments?

A: Sure! Let me know when you book that you'd like to set up a monthly payment plan and I'll set it up for you.

Q: When is the remaining balance due?

A: Your remaining balance is due 2 weeks prior to your event date. A reminder will be sent to you via e-mail to keep you on track.

Q: Can you help with locations for the engagement session?

A: I love to encourage clients to select locations which they have connections with or that tie in with their wedding. When a client needs guidance I will assist in the process by providing a list of locations which they can choose from.

Q: Can I make prints from the digital downloads included in all packages?

A: Absolutely! All the photos on your private online gallery are high resolution and ready to print. Along with the link containing all final images a "Print Release" form can be sent upon request, which will allow you to freely print the images at your leisure.

Q: How long will my gallery be available on-line?

A: Your gallery will be available for 1 year. At the year mark it will expire. You will receive notifications prior to the date of expiration letting you know.

Q: What if our event runs later than we expected? Can you stay 'til the end?

A: Of course! If I stay more than an hour late, though, you will be billed for overtime and no proofs will be posted until the overtime has been paid in full. My hourly rate is \$325.

Q: Are you available for Destination Weddings or Engagement Shoots?

A: Yes, I do travel and my fees are optimal. Client books travel and stay. Preferably where they are staying. A studio fee of \$125 per day will be charged for non shooting/ traveling days. Expenses will be billed after the trip.

Q: Why should I consider doing a "First Look"?

A: If you wait until the ceremony to see each other, I'll have no choice but to do all your portraits after the wedding. This is no problem if you're doing an afternoon wedding, but if it'll be dark after your ceremony, my options for creative portraits are limited, to say the least. Having an extra hour before the ceremony for wedding party and bride and groom portraits when there is still plenty of natural light makes for AMAZING photos!

Q: How many images are included in the albums?

A: For the Engagement Album book the number of images is between 30 and 35 and for the Wedding Album it is between 70 and 80 images.

Q: How many rounds of edits are allowed for the album design?

A: There are up to 3 rounds of changes included in the album design. Adjustments and changes beyond that are charged at a fee of \$75/hour.

Q: Do you do Black and Whites?

A: I love color and shoot for color. Why see the world gray when its so much richer in color!?

Q: Can I see your reviews?

A: Yes! Please click [HERE!](#)
