3. **Online Music Requests System** – From your Online Wedding Planning System, you can quickly select songs from several Categorized Top Hits Lists or just drag and drop songs from your Spotify account. We even offer a **Guest Request Password** (your option).

Wedding Ceremony Music/PA with Mic - **\$100** (plus earlier start time calculated in rates)

1. **Lavaliere Wireless Microphone for Officiant** – Our DJ's standard ceremony package includes one lavaliere and one handheld microphone to properly amplify everyone.
2. **Dedicated Ceremony Sound System** (if in separate location) - Cocktail hour music starts when guests arrive (not after the DJ relocates equipment 45 to 60 minutes later).

Show Enhancements

- **Elegant Uplighting** – **\$150 - \$300 - \$450** (8 or 16 or 24 uplights). Our uplights are Wireless and can be placed anywhere and moved during the event when needed. For dancing, we can activate sync our uplights to sync with the music with several special effects in many colors.
