# EXTRAS AND

## add ons

+ Extra hour of coverage \$400

Sometimes you need a bit more time to express yourself, or if you simply want a little more time to make soulmate magic, booking in an extra slice of time can make a massive difference.

+ Second shooter \$100 per hour

As much as I wish I could be in two places at once, I haven't quite figured out how to do that yet. I try my darndest to capture everything that I can, but having a second shooter helps me make sure I catch all the most important moments in the best light.

+ Extra editing time \$100 per hour

Want some photos in B&W, or wish that fly-away hair would disappear? I got you! I'm happy to spend extra time making your favorite images absolutely perfect.

*\*Customers who also book with Golden Gate Entertainment for DJ services receive a 5% discount off their package total*

*Prices excluding GST  
Prices are subject to change without notice*

# TRAVEL

Whether it's hopping on a plane to come and meet you at the base of your favorite mountain, or jumping in a car to explore somewhere that plays a crucial part of your life story, I love a new adventure. If you'd like to scheme an adventure closer to me, I'll take the trip for free within 75 miles of Chattanooga, TN. If your location is further than that, there is an associated travel fee..

If I am traveling for you and your event ends after 10pm, there is an additional lodging fee.

For further destinations that require a flight there will be a travel fee, plus lodging.

# FAQS

**Do you take a deposit to reserve our date**

Your deposit is 50% to lock-in the date, and 50% due 30 days prior to your date.

**What if we need to raincheck or cancel after booking?**

In the event that you need to postpone your session or wedding, your deposit transfers over to your new date. I have a no refund policy on client cancellations.

**How many images will we receive?**

Good news, I don't limit the number of photos that you get! I take the best photos from your session or wedding, edit and retouch them, and then send them to you.

**Do you give us all of the RAW files?**

You receive edited jpeg images. RAW files are huge and require professional software to open without crashing your device!

@goodloefilmco

I LOOK FORWARD TO HEARING FROM YOU!
