BRIDAL PRICING

Please note that I charge a flat rate for both trial or day-of services and for both bride and party members. I take the same amount of time, care, and skill for all my services.

Airbrush: \$125
Hairstyling: \$100

Makeup prices include the application of false lashes, if desired.
All services day-of include a complimentary mini touch up kit.

Additional booking policies and procedures, along with deposit information available upon request. I strongly encourage brides to schedule a trial prior to finalizing day-of services.
