REHEARSAL DINNER COVERAGE & EXTENDED FEATURE WEDDING FILM

- We can be there to film all the special moments from your rehearsal dinner and include them into your Feature Wedding Film.

LOVE STORY FILM

- This is a great way for our clients to showcase their story together. We film you doing something you love to do together (i.e. cooking, hiking, playing games, creating art) and put it together with interviews of you and your partner each telling your version of the story. We film this video long before the wedding and can even play it at your reception to share your story with all of your loved ones. We can also film and create your Love Story Film after your wedding if you'd prefer. It's never too late to document the story of your love.

INSTAGRAM FILM

- A one minute highlight film, similar to your Feature Wedding Film, for sharing on Instagram and other social media platforms.

SELFIE PACKAGE

- We set you up with a GoPro and a selfie stick to carry yourself or pass around with your family and friends to capture another side of your celebration. We can give you the raw video from the camera and also include it in your Feature Wedding Film.

DRONE GROUP PHOTO

- We can take a group photo of you and everyone at your celebration with our drone.

MULTI-CAMERA FACEBOOK LIVE WEDDING CEREMONY

- We stream your wedding ceremony live to Facebook so that all of your family and friends can participate in celebrating your love no matter where they are. Now Grandpas and Grandmas everywhere can have a front row seat without making the long, difficult trips.

TWENTY STILL IMAGES

- In addition to your videos we give you twenty beautiful still images from your celebration to do whatever you want with. We can also help you get them printed if you'd like.
