

2018 WEDDINGS

A GUIDE FROM HANNAH JOY PHOTOGRAPHY

HELLO!

My name is Hannah, and I am humbled to be able to call myself a photographer. Not only that, but I have the privilege of being a ***STORYTELLER*** for so many of those at the beginning of their journey.

I work hard to ensure that your pictures don't just show your wedding day, but also your ***PARTNERSHIP*** and your ***COMMITMENT*** to each other.

I believe that your wedding photographs should be ***TIMELESS. AUTHENTIC. EMOTIONAL.***

If any of this resonates with you, I hope you check out the rest of this booklet. I would be ***HONORED*** to document these first few steps in your ***JOURNEY*** together.

Decided to take engagement photos, but want to throw in a second session? Maybe you want to add on a bridal session to have additional time to create classic portraits. FREQUENTLY ASKED QUESTIONS

Q: WHAT IS YOUR STYLE?

A: Since my first love was nature photography, I love to capture the background and area surrounding the venue that you chose. You pick the location that you do for a reason, and I want to capture *all* the beauty of the day. My images tend to have rich, vibrant colors, which lean on warm, earthy tones.

Q: WHAT COUNTS AS A PORTRAIT SESSION?

A: Absolutely anything! Most couples will opt for an engagement session, but some don't need it, so I am leaving this up to you all! Bridal shoots are very popular, and you can even choose to leave your complimentary portrait session for next year and have an anniversary shoot. It is completely up to you!

Q: WHAT SHOULD I EXPECT ON MY WEDDING DAY?

A: You all and I will have much time to chat before the big day, but generally, I will arrive while you both are getting ready and shoot some of the details. I'll make sure to hit all the big points, never missing any moment so that you can remember your special day exactly as it happened. We'll work out a timeline well in advance so that you know when everything is happening.

Q: IS THERE A TRAVEL FEE FOR MY VENUE?

A: There is no travel fee for any location within 75 miles of Harrisonburg, VA. After that, I have to charge a small fee so that I can book a hotel and pay for gas. Travel fees generally do not exceed \$300.

Q: WILL I HAVE THE RIGHTS TO MY PICTURES?

A: Absolutely! This is your wedding day, and these are your pictures. I will retain the copyright to my artwork, but you will have full printing rights.

Q: I AM READY TO BOOK! HOW DO I DO THAT?

A: All I need to reserve your wedding date is a signed contract and a \$1000 non-refundable deposit. After that, your date is booked for you and only you!
